DEMANDES AU PARLEMENT.

SÉNAT.

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDURE DU SÉNAT CONCERNANT LES BILS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1916.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre, si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée «partie défenderesse.»

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables on été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante jours premiers de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicil conjugale, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat, aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse, et donner dans cet avis au greffier du Sénat:

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat, doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

SENAT.

Avis de bills privés.

Extrait des règles du Sénat.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré dans la *Gazette du Canada;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit:

A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*, —dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une *compagnie de télégraphe ou de téléphone*, —dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une *compagnie de banque; une compagnie d'assurance;* une *compagnie de crédit;* une *compagnie de prêt;* ou une *compagnie industrielle*, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les requérants devront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de prolonger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs), d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit dans la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: *"Avis de bill privé";* ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes, mentionner en même temps et de la même manière les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toutes personne qui voudra obtenir un bill privé, si elle se propose de la présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 60 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

A. E. BLOUNT,
Greffier du Sénat.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, mais tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instructions aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôts de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenue de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la Chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents dollars.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir:

(*a*) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill, pour chaque suspension..........	100 00
(*b*) Lorsqu'un bill est présenté dans la Chambre après la huitième semaine de la session et avant la fin de la douzième.............	100 00
(*c*) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session............	200 00
(*d*) Lorsque le capital social projeté d'une compagnie dépasse $250,000, et n'excède pas $500,000..............	100 00
(*e*) Lorsque le capital social projeté d'une compagnie dépasse $500,000, et n'excède pas $750,000............	150 00
(*f*) Lorsque le capital social projeté d'une compagnie dépasse $750,000, et n'excède pas $1,000,000..........	200 00
(*g*) Lorsque le capital social projeté d'une compagnie dépasse $1,000,000, et n'excède pas $1,500,000..........	300 00
(*h*) Lorsque le capital social projeté d'une compagnie dépasse $1,500,000, et n'excède pas $2,000,000..........	400 00
(*i*) Pour chaque million ou fraction de million de dollars additionnels....	100 00

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de $300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans les cas où un bill accorde le pouvoir d'augmenter à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, tel qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire, imposée sous l'empire des alinéas *b* ou *c* de l'article 3, ne sera pas exigée.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 4th day of February, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 16th January, 1919, from the Minister of the Interior, submitting that as follows:—

Application has been made by Mr. John Cawkell, of Drumheller, Alberta, for permission to use a small island situated in the Red Deer River and comprising a part of Section 11, Township 29, Range 20, west of the 4th Meridian, for the purpose of raising ducks, geese and chickens;

Under subsection 2 of section 4 of The Dominion Lands Act, School Lands may be leased for any purpose whatever to any person, municipality or corporation to be provided by regulations made by the Governor in Council;

As, however, this island immediately adjoins the Town of Drumheller, the authorities of that town were requested to notify the Department of the Interior whether the leasing of this island for the purpose above mentioned would in any way interfere with their town, and in reply the secretary-treasurer of the town notified the Department that permission might be granted to Mr. Cawkell to use the island in question for the purpose of raising ducks, geese and chickens, providing that his rights might be determinable at the expiration of any year, in case the proposed use to which the island was to be put should develop a nuisance or annoyance at any time;

It was, therefore, decided to grant Mr. Cawkell the privilege of using the island during the pleasure of the Minister at an annual rental of $2 per annum, the privilege being subject to cancellation at any time upon reasonable notice,—

The Minister, therefore, recommends,—as Mr. Cawkell has paid the first year's rental, amounting to $2,—that he be authorized to grant permission to Mr. John Cawkell, of Drumheller, Alberta, to use a small island situated in the southeast and northeast quarters of Section 11, Township 29, Range 20, west of the 4th Meridian, for the purpose of raising ducks, geese and chickens, the privilege to be subject to cancellation at any time upon sixty days' notice being given to the lessee.

The Committee concur in the foregoing and submit the same for approval.

RODOLPHE BOUDREAU,
35-4 Clerk of the Privy Council.

And whereas an officer of the Department of the Interior has made an examination of these lands and reported that they are not now required for the purpose for which they were reserved,—

Therefore, His Excellency the Governor General in Council, is pleased to order and it is hereby ordered that the reserve placed upon these lands shall be and the same is hereby withdrawn.

[264]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 8th day of February, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 28th January, 1919, from the Minister of the Interior stating that Harold O. Leach was granted homestead entry by proxy, for the North-east quarter of Section 36, Township 27, Range 10, west of the Principal Meridian, on the 19th January, 1917.

That at the time this entry was granted the Agent of Dominion Lands was unaware that Mr. Leach had been appointed on the 15th May, 1915, to the position of Assistant Engineer on the staff of the Manitoba Hydrometric Survey.

That on the 14th February, 1916, Mr. Leach was granted leave of absence without pay in order to enlist in the Canadian Expeditionary Force, and on the 21st of that month he was appointed to the 184th Overseas Battalion, C.E.F.

That section 84 of the Dominion Lands Act at that time provided, that no officer or employee of or under the Department of the Interior should directly or indirectly purchase or acquire any Dominion Lands or any interest therein, but there was some doubt then as to whether this provision of the law had reference to members of the Outside Service, to which Mr. Leach was attached.

That by an amendment made to the Dominion Lands Act during the last session of Parliament, it is now contrary to the law for any employee of the Department to secure Dominion Lands either directly or indirectly by purchase or homestead entry.

That Mr. Leach was killed in action on the 1st September, 1918, leaving as his next of kin his mother, Mrs. M. E. Leach of Winnipeg, Manitoba.

That the late Mr. Leach was not notified that his entry had been granted in error and that he died believing that he still held the land.

In view of all the circumstances of this case, the Minister recommends that the said Harold O. Leach be confirmed in his standing as an entrant for the homestead with respect to the land above mentioned, the north-east quarter of Section 36, Township 27, Range 10, west of the Principal Meridian, notwithstanding any question that might arise as to whether or not any section of the Act at the time this entry was granted, prohibited the granting of an entry to an employee of the Outside Service of the Department of the Interior.

The Committee concur in the foregoing recommendation, and submit the same for approval.

RODOLPHE BOUDREAU,
33-4 Clerk of the Privy Council.

Thursday, the 30th day of January, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council, on the recommendation of the Minister of the Interior, advise that further residence on the part of Mr. John Austin, who obtained homestead entry for the N. W. ¼ of Section 28, Township 9, Range 16, west of the 3rd Meridian, on the 7th December, 1911, be dispensed with in accordance with subsection 2 of section 20 of The Dominion Lands Act, so that free patent may be issued to Mr. Austin upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled.

The Minister states that the above mentioned homesteader has performed two terms of six months' residence and has cultivated an area of 53 acres; that the entrant is now over 80 years of age and the medical certificates furnished the Department of the Interior from time to time during the years 1915–16–17 show that Mr. Austin has been unable to do any manual labour owing to serious ill health.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 22nd January, 1919, from the Minister of the Interior, stating that an application has been received from Mr. Charles Walcott, secretary of the Smithsonian Institute, Washington, D.C., for permission to collect biological specimens in Rocky Mountains, Yoho and Jasper Parks, during the coming summer for the United States National Museum,—

The Minister, therefore, recommends, as the collection is purely for scientific purposes, that the Regulations established by Order in Council of the 21st June, 1909, and reapplied to all Dominion Parks by the Order in Council of the 6th June, 1911, forbidding the hunting and taking of any wild animal or bird within any park's limits be waived in this case, and that Dr. Charles Walcott be granted permission to collect biological specimens in Rocky Mountains, Yoho and Jasper Parks for the summer of 1919, the permission being confined, however, to two male and two female specimens of each species of mammals and six of each species of birds.

The Committee concur in the foregoing recommendation, and submit the same for approval.

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report from the Minister of the Interior, submitting that Alex. Chisholm squatted on the south-east quarter of Section 36, Township 82, Range 18, west of the 6th Meridian, in August 1914, prior to the completion of the survey of this land, therefore, he was unable to obtain a homestead entry at the time he squatted on this quarter-section; that it has been ascertained through the records of the Department of Militia and Defence that Mr. Chisholm enlisted on the 27th April, 1915, and was officially reported killed in action on the 9th October, 1916; that up to the present time this land has been reserved in order that the late squatter might make entry, this action being in accordance with the ordinary practice of the Department of the Interior; that an application has now been made that the estate of the deceased be granted patent for the quarter-section.

In view of all the circumstances of the case, the Minister recommends that the said Alex. Chisholm, now deceased, be given the status of an entrant for a homestead with respect to the land above mentioned the south-east quarter of Section 36, Township 82, range 18, west of the 6th Meridian, in order that his estate may obtain letters patent for the said land under the provisions of the Orders in Council of the 8th May, 1915, and the 20th September, 1915, which provide for the immediate issue of letters patent for the homestead in the cases where the entrant has been killed on active military service in defence of the British Empire.

The Committee concur in the foregoing recommendation, and submit the same for approval.

RODOLPHE BOUDREAU,
33–4 Clerk of the Privy Council.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Minister of the Interior reports as follows:—

That it has been decided to include Section 11, Township 36, Range 20, west of the Principal Meridian, in the Pine River Indian Reserve, and to select a section of Dominion Lands to compensate the School Lands Endowment Fund;

[437]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 24th day of February, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Acting Minister of Justice reports that by the regulations established by Order in Council of 9th November, 1917, every person who deserts or is absent without leave from the Canadian Expeditionary Force or the Active Militia of Canada is, subject to the provisions of the above mentioned regulations, guilty of an offence and liable upon summary conviction to imprisonment, with or without hard labour, for a term not exceeding two years;

That no provision is however made for imposing upon such offenders a fine or pecuniary penalty in lieu of imprisonment, although some of the magistrates before whom these prosecutions have been heard have interpreted their powers as affording them discretion to do so;

That the regulations were amended by Order in Council of 12th February, 1919, authorizing constables, police and peace officers to deliver deserters or absentees without leave to the military authorities, declaring these offences cognizable by the military tribunals and providing that the civil police service and duties shall be performed only by the Dominion Police, the Royal Northwest Mounted Police, or such provincial, municipal or local police as might be thereunto specially authorized by Dominion authority, and providing moreover that it should be incompetent to any court of summary jurisdiction or to the civil tribunals to proceed to the hearing or disposition of any charge of an offence of desertion or absence without leave unless the person charged were in such proper custody;

That there is thus adequate authority for resort to the military tribunals, and that procedure will be invoked where it is necessary or desirable for purposes of convenience or for the due administration of justice;

And whereas the minister considers that a discretion may nevertheless properly be committed to the civil tribunals to impose fines or pecuniary penalties in lieu of imprisonment, where in the opinion of the court it appears just or advisable in view of the circumstances, and that convictions heretofore made in which punishment has been imposed by way of fine or pecuniary penalty rather than by imprisonment should be validated, subject to the provisions of the regulations hereby enacted,—

Therefore His Excellency the Governor General in Council, under and by virtue of the powers conferred on the Governor in Council by The War Measures Act, 1914, or otherwise existing in that behalf, is pleased to make the following regulations and the same are hereby made and established accordingly :—

Regulations.

1 Where under the regulations approved by Order in Council of 9th November, 1917, (P.C. 3168) or any regulations amending the same, punishment by imprisonment only, with or without hard labour, is provided for the offence of desertion or absence without leave from the Canadian Expeditionary Force, the punishment may be by fine not exceeding $5,000, and not less than $250, or by imprisonment as aforesaid, in the discretion of the court, and if a fine be so imposed the sentence shall direct that in default of payment of the fine the person convicted shall be imprisoned, with or without hard labour, as the case may be, until the fine is paid ; provided that such imprisonment shall not be for any term in excess of that which might have been imposed for the offence, and that the person convicted shall not be liable or compelled both to pay a fine and to suffer imprisonment.

2. No conviction for any offence described in the last preceding regulation shall be invalid or objectionable, or subject to review upon appeal, certiorari or otherwise, merely because the punishment thereby awarded or imposed was a fine or pecuniary penalty of an amount not exceeding $5,000, and not less than $250, if the person convicted is adjudged to be imprisoned in default of payment of the fine for a term not in excess of the maximum term of imprisonment by law authorized to be imposed for the said offence.

3. Nothing in the foregoing regulations contained shall be deemed to validate or affect any conviction for the making of which the jurisdiction of the court or magistrate was defective by reason of the Crown not being represented upon the prosecution, or by reason of lack of the requisite consent of the Attorney General as by law required, or otherwise than as specifically provided in the last preceding regulation.

4. These regulations shall apply to offences heretofore committed and to pending cases as well as to future offences.

Clerk of the Privy Council.

THE SENATE.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As revised and brought in force 22nd March, 1916.

Every applicant for a bill of divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia, or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but, otherwise, shall be published in one newspaper in both languages. A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition; be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known, or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

The petition should also negative connivance at, or condonation of, the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893.*

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(*a*) The respondent's residence at the time of sending such notice.

(*b*) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(*c*) The name and address of the solicitor, if any, acting for the respondent.

(*d*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(*6*) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(*7*) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the

satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars ($210).

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 16e jour de janvier 1919, représentant ce qui suit :

M. John Cawkell, de Drumheller, Alberta, a demandé la permission de faire usage d'une petite île dans la rivière Red Deer, comprenant une partie de la section 11, township 29, rang 20, à l'ouest du 4e méridien, pour y faire l'élevage des canards, des oies et des poulets ;

En vertu du paragraphe 2 de l'article 4 de la *Loi des terres fédérales*, les terres des écoles peuvent être louées pour des fins quelconques à toute personne, municipalité ou corporation, ainsi que prescrit par des règlements établis par le Gouverneur en conseil ;

Toutefois, vu que cette île est voisine de la ville de Drumheller, le département de l'Intérieur a demandé aux autorités de cette ville de l'aviser si la cession à bail de cette île pour les fins susdites serait de quelque façon préjudiciable à la ville, et le secrétaire-trésorier de la municipalité a répondu au département que permission pouvait être accordée à M. Cawkell de faire usage de l'île en question pour l'élevage des canards, des oies et des poulets, pourvu que le bail soit résiliable à la fin de chaque année au cas où cela deviendrait une nuisance ;

Par conséquent, il a été décidé d'accorder à M. Cawkell le privilège de faire usage de l'île durant le bon plaisir du ministre, moyennant un loyer annuel de $2.00, ce privilège étant en tout temps sujet à annulation sur avis raisonnable,—

Par conséquent, vu que M. Cawkell a payé le loyer de la première année, soit $2.00, le ministre de l'Intérieur recommande qu'il soit autorisé à accorder à M. Cawkell, de Drumheller, Alberta, la permission de faire usage d'une petite île située dans les quarts sud-est et nord-est de la section 11, township 29, rang 20, à l'ouest du 4e méridien, pour l'élevage des canards, des oies et des poulets, ce privilège étant sujet à annulation après soixante jours d'avis au locataire.

Le comité agrée cet recommandation et la soumet pour approbation.

Au comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 22 janvier 1919, représentant que le docteur Charles Walcott, secrétaire du Smithsonian Institute, Washington, a demandé la permission de recueillir des spécimens biologiques dans le parc des Montagnes Rocheuses, le parc Yoho et le parc Jasper au cours de l'été prochain pour le Musée National des Etats-Unis,—

Par conséquent, comme cette collection est purement pour des fins scientifiques, le ministre recommande que soient suspendus dans ce cas les règlements des parcs établis par un arrêté en conseil du 21 juin 1909, et de nouveau appliqués auxdits parcs par un arrêté en conseil du 6 juin 1911, prohibant la chasse et la capture de tout animal ou oiseau sauvage dans les limites des parcs, et que permission soit accordée au docteur Charles Walcott de recueillir des spécimens biologiques dans le parc des Montagnes Rocheuses, le parc Yoho et le parc Jasper au cours de l'été de 1919. Toutefois, la permission est limitée à deux spécimens mâles et deux spécimens femelles de chaque espèce et à six spécimens de chaque espèce d'oiseaux.

Le comité agrée cette recommandation et la soumet pour approbation.

Attendu que le ministre de l'Intérieur fait rapport que d'après les dispositions du traité n° 6, les sauvages de la Bande Makwa ont droit à six cent quarante (640) acres pour chaque famille de cinq personnes, étant donné qu'il y a quarante membres dans la bande. La bande Makwa a refusé le terrain d'abord choisi au lac Ministikwan et de nouveaux terrains ont été choisis au lac Makwa au lieu de ceux de l'endroit précédent. Le département des Affaires des Sauvages a par conséquent demandé la mise en réserve pour les sauvages d'une étendue de terrain connue sous le nom des Réserves Indiennes Nos 129 et 129*a* du lac Makwa, dans le township 58, rang 21, et le township 58, rang 23, à l'ouest du 3e méridien, dans la province de la Saskatchewan, comprenant une superficie de cinq mille cent vingt-neuf acres et deux dixièmes (5,129·2) ;

Que ces terrains sont inaliénés et disponibles pour cette fin, d'après les archives du Département de l'Intérieur,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil de décréter par les présentes que les terrains ci-après décrits soient soustraits à l'application de la *Loi des terres fédérales* et mis en réserve pour les dits sauvages de la bande Makwa :—

Premièrement—La moitié nord de la section vingt et la moitié sud de la section vingt-huit, le tout dans le township cinquante-huit, rang vingt et un, à l'ouest du troisième méridien, ainsi que décrit sur un plan d'arpentage dudit township, approuvé et confirmé par E. Deville, arpenteur général des terres fédérales, le douzième jour de décembre mil neuf cent treize, contenant six cent trente-huit acres plus ou moins ;

Deuxièmement—La moitié ouest de la subdivision légale quinze et le quart nord-est de la subdivision légale quatorze, dans la section un, township cinquante-huit, rang vint-trois, à l'ouest du troisième méridien ; le quart sud-ouest de la subdivision légale neuf, la subdivision légale dix, la subdivision légale quinze, et le quart nord-ouest de la subdivision légale seize dans ledit township cinquante-huit ; le quart nord-ouest de la section deux, la moitié nord de la section trois, la section dix, la section onze, et la moitié ouest de la section douze, dans ledit township cinquante-huit ; la moitié ouest de la subdivision légale deux, la moitié ouest et le quart nord-est de la sudivision légale sept, la subdivision légale dix, la subdivision légale quinze, la moitié ouest et le quart nord-est de la subdivision légale seize, dans la setcion douze, dans ledit township cinquante-huit ; la section treize, la section quatorze et le quart sud-est de la section vingt-trois, dans ledit township cinquante-huit ; la subdivision légale neuf, la subdivision légale dix, la subdivision légale quinze et le quart sud-ouest de la subdivision légale seize, dans la section vingt-trois, dans ledit township cinquante-huit ; la moitié sud de la section vingt quatre, la moitié sud de la subdivision légale neuf, la moitié sud de la subdivision légale dix, le quart sud-ouest de la subdivision légale onze et la moitié sud de la subdivision légale douze, dans la section vingt-quatre, dans ledit township cinquante-huit, rang ving-trois, à l'ouest du troisième méridien, le tout tel qu'indiqué sur un plan d'arpantage dudit township approuvé et confirmé par E. Deville, arpenteur général des terres fédérales, le deuxième jour de décembre mil neuf cent treize.

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

Au comité du Consil privé a été soumis un rapport du ministre de l'Intérieur, représentant qu'Alexandre Chisholm, en août 1914, s'établit comme squatter sur le quart sud-est de la section 36, township 82, rang 18, à l'ouest du 6e méridien, avant que fut complété l'arpentage de ce terrain, et fut par conséquent incapable d'obtenir une inscription de homestead lors de son établissement comme squatter sur ledit quart de section. Les archives du département de la Milice et de la Défense établissent que M. Chisholm s'est enrôlé le 27 avril 1915 et que d'après les rapports officiels il a été tué en service le 9 octobre 1916. Jusqu'à présent ce terrain a été tenu en réserve pour permettre au squatter défunt de s'inscrire, conformément à la coutume du département de l'Intérieur. Demande a maintenant été faite que patente dudit quart de section soit accordée à la succession du défunt.

Vu toutes ces circonstances, le ministre recommande que ledit Alex Chisholm, défunt, soit considéré comme inscrit en ce qui concerne le terrain susmentionné, soit le quart sud-est de la section 36, township 82, rang 18, à l'ouest du 6e méridien, pour que sa succession obtienne les lettres patentes dudit terrain en vertu des dispositions des arrêtés en conseil du 8 mai 1915 et du 20 septembre 1915, qui stipulent que dans le cas d'un inscrit tué en service militaire actif dans la défense de l'Empire Britannique les lettres patentes de son homestead seront immédiatement délivrées.

Le comité agré cette recommandation et la soumet pour approbation.

PRESENT :

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

A la recommandation du ministre de l'Intérieur, le Comité du Conseil privé recommande que M. John Austin qui, le 7 décembre 1911, a obtenu l'inscription de homestead du quart nord-ouest de la section 28, township 9, rang 16, à l'ouest du 3e méridien, soit relevé de toutes obligations de résidence futures en vertu des dispositions du paragraphe 2, de l'article 20 de la *Loi des terres fédérales*, pour que patente gratuite soit délivrée à M. Austin sur preuve fournie de la manière ordinaire que les autres conditions de la loi ont été remplies.

Le ministre déclare que le colon susmentionné a accompli deux termes de six mois de résidence et a mis en culture une superficie de 53 acres ; que l'inscrit est aujourd'hui âgé de 80 ans et les certificats médicaux fournis au département de temps à autre au cours des années 1915-16-17 démontrent que M. Austin a été incapable de se livrer à tout travail manuel pour raisons de santé.

Lundi, le 17 jour de février 1919.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que le ministre de l'Intérieur fait rapport comme suit :—

Il a été décidé d'inclure la section 11, township 36, rang 20, à l'ouest du méridien principal, dans la réserve des sauvages de Pine River et de substituer à ladite section une section de terres fédérales pour le fonds des terres des écoles ;

L'agent des terres fédérales à Dauphin a par conséquent reçu instruction de faire choisir par un inspecteur une section disponible de terres fédérales pour être réservée comme terres des écoles en remplacement de la section 11, township 36, rang 20, à l'ouest du méridien principal ;

L'agent du département de l'Intérieur soumet le rapport de l'inspecteur de homesteads Thomas C. Secord, dans lequel ce dernier déclare avoir choisi la section 9, township 36, rang 20, à l'ouest du méridien principal, en remplacement de ladite section 11 ;

Sous l'empire du paragraphe 2 de l'article 39 de la *Loi des terres fédérales*, le Gouverneur en conseil peut autoriser le ministre à mettre à part à titre de réserve affectée aux sauvages des terres qui, aux termes de la présente loi, sont des terres des écoles, ou des terres qui, par l'arpentage, deviendront des terres des écoles, mais pas avant que d'autres terres fédérales, de valeur égale autant que possible, aient été choisies à leur place; et lorsque d'autres terres fédérales auront été ainsi choisies et auront été désignées comme "terres des écoles" par le ministre, elles seront de ce moment et deviendront terres des écoles, et il en sera disposé de la même manière qu'il est disposé des terres des écoles ordinaires sous le régime des dispositions de la présente loi,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil d'autoriser par les présentes le transfert à la réserve des sauvages de Pine River de la section 11, township 36, rang 20, à l'ouest du méridien principal, et la mise en réserve comme terres des écoles de la section 9, township 36, rang 20, à l'est du méridien principal, cette section ayant été déclarée vacante et disponible pour le transfert.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

IL plaît à Son Excellence le Gouverneur général en Conseil, à la recommandation du ministre de l'Intérieur, d'autoriser par les présentes l'émission de permis de pâturage sur les terres disponibles des townships 15, 16 et 17, rang 3, et du township 15, rang 4, à l'ouest du 3e méridien, dans la province de Saskatchewan, ainsi que des townships 20, 21 et 22, rang 3, à l'ouest du 4e méridien, dans la province d'Alberta, lesquelles ont été réservées pour fins de stations de remonte, aux conditions suivantes :—

(1) Seuls peuvent obtenir des permis les sujets britanniques et les compagnies constituées en corporation sous l'empire des lois du Canada ou des lois d'une province quelconque du Canada, et dont le président, le vice-président et une majorité des directeurs sont sujets britanniques et qui ne sont aucunement sous le contrôle d'étrangers ou d'une ou de plusieurs corporations étrangères.

(2) L'étendue maximum pouvant être obtenue sous permis par un individu ou une compagnie ne dépassera pas 12,000 acres.

(3) Le loyer sera au taux de 4 cents l'acre par année payable d'avance.

(4) Toute demande de permis sera faite à l'agent des terres fédérales du district où sont situés les terrains demandés et devra inclure le montant du loyer des premiers six mois

(5) L'agent transmettra les demandes au Département, qui, après avoir fait afficher des avis par le requérant sur les terrains demandés et en avoir fait faire l'inspection, décidera si le permis doit être accordé.

(6) Avant que le permis soit accordé, le requérant affichera pendant trente jours des avis de sa demande dans au moins quatre endroits bien en vue sur les terrains faisant l'objet de la demande, ainsi que dans les bureaux de poste les plus rapprochés, et fera une déclaration statutaire à cet effet.

(7) Dans les six mois qui suivront immédiatement la date de son permis, le concessionnaire mettra, sur le terrain faisant l'objet de son permis, au moins une tête de bétail ou un cheval d'un an au moins, ou cinq moutons, dont il sera propriétaire, par chaque trente acres de terrain.

(8) Le concessionnaire maintiendra sur le terrain le nombre requis de têtes de bétail et fera une déclaration statutaire indiquant le nombre de bestiaux qu'il a sur le terrain au 1er juillet de chaque année ou à toute autre date, ainsi que pourra l'exiger le département.

(9) Tout tel permis expirera le 31 décembre suivant la date de tel permis.

(10) L'obtention d'un permis ne donnera pas au porteur de tel permis le droit d'en obtenir le renouvellement, mais le ministre peut, à sa discrétion, accorder des renouvellements d'année en année ; le porteur de tel permis aura alors priorité de droit au renouvellement, mais demande de tel renouvellement doit être faite au département pas plus tard que le 1er décembre précédant l'expiration de tels permis et doit inclure le montant du loyer pour l'année suivante.

(11) Nuls bâtiments ne seront érigés sur le terrain objet du permis sauf les constructions temporaires nécessaires pour abriter le bétail.

(12) Si, lorsque le permis expire, le concessionnaire néglige d'en obtenir le renouvellement, il aura droit d'emporter, dans un temps raisonnable à être fixé par le ministre de l'Intérieur, toutes constructions temporaires ou clôtures qu'il aurait pu y ériger, mais il n'aura droit à aucune compensation.

(13) Le concessionnaire aura cependant droit au foin qui se trouve sur le terrain et qui est nécessaire pour l'entretien de son bétail, mais il ne pourra le vendre ni l'échanger.

(14) Si un concessionnaire désire garder des moutons en pâturage, il devra entourer le pâturage d'une clôture que les moutons ne peuvent franchir.

(15) Un concessionnaire ne peut disposer de son permis sans le consentement du ministre de l'Intérieur.

(16) Tout permis est sujet à annulation sommaire si le concessionnaire néglige de se conformer à une prescription quelconque des présents règlements ou s'il fait de fausses représentations relativement à des faits d'importance.

Greffier du Conseil privé.

[L'arrêté en conseil suivant a paru dans un *Extra* de la GAZETE DU CANADA, daté le *28 février 1919.*]

[437]

HOTEL DU GOUVERNEMENT A OTTAWA.

Lundi, le 24e jour de février 1919.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que le ministre suppléant de la Justice fait rapport que sous l'empire des règlements établis par un arrêté en conseil du 9 novembre 1917, toute personne qui déserte ou est absente sans congé du Corps Expéditionnaire Canadien ou de la milice active du Canada est, subordonnément aux dispositions des règlements ci-dessus mentionnés, coupable de délit et passible sur conviction sommaire à l'emprisonnement, avec ou sans travaux forcés, pour une période n'excédant pas deux ans ;

Cependant, il n'existe aucune disposition imposant à ces délinquants une amende ou peine pécuniaire au lieu de l'emprisonnement, quoique quelques-uns des magistrats devant qui ces poursuites ont été intentées aient interprété leurs pouvoirs comme leur donnant la discrétion de le faire ;

Les règlements furent modifiés par un arrêté en conseil du 12 février 1919 autorisant les constables, agents de police et officiers de la paix à remettre les déserteurs ou absents sans congé aux autorités militaires, déclarant que ces délits étaient du ressort des tribunaux militaires et décrétant que le service et les devoirs de la police civile ne seraient accomplis que par la police fédérale, la gendarmerie à cheval du Nord-Ouest, ou la police provinciale, municipale ou locale spécialement autorisée par l'autorité fédérale, et décrétant de plus que nulle cour de juridiction sommaire ou tribunal civil n'aurait la compétence de connaître ou de décider d'une accusation quelconque de désertion ou d'absence sans congé à moins que la personne accusée ne soit ainsi détenue par telle autorité compétente ;

Il y donc ainsi autorité adéquate pour le recours aux tribunaux militaires, et cette procédure sera suivie lorsqu'il est nécessaire ou opportun de le faire pour plus de commodité ou pour la bonne administration de la justice ;

Et attendu que le Ministre considère qu'une certaine discrétion peut néanmoins avec raison être laissée aux tribunaux civils d'imposer des amendes ou peines pécuniaires au lieu de l'emprisonnement lorsque la cour est d'avis qu'il est juste ou opportun de le faire dans les circonstances, et que les condamnations antérieures où la punition a été imposée par voie d'amende ou de peine pécuniaire plutôt que par emprisonnement doivent être validées, subordonnément aux prescriptions des présents règlements,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, en vertu des pouvoirs conférés au Gouverneur en conseil par la *Loi des mesures de guerre de 1914*, ou qui existent autrement à cet effet, d'établir les règlements suivants, qui sont par les présentes faits et établis en conséquence :

Règlements.

1. Lorsque sous l'empire des règlements approuvés par un arrêté en conseil du 9 novembre 1917 (C.P. 3168), ou de règlements quelconques les modifiant, la

peine par emprisonnement seulement, avec ou sans travaux forcés, est prescrite pour le délit de désertion ou d'absence sans congé du Corps Expéditionnaire Canadien, la peine peut être une amende n'excédant pas $5,000 et d'au moins $250, ou l'emprisonnement comme susdit, à la discrétion de la cour ; et si une amende est ainsi imposée la sentence prescrira qu'à défaut de paiement de l'amende la personne condamnée sera emprisonnée, avec ou sans travaux forcés, selon le cas, jusqu'à ce que l'amende soit payée ; toutefois, cet emprisonnement ne sera pas pour une période excédant celle qui aurait pu être imposée pour le délit, et la personne condamnée ne sera pas passible et d'amende et d'emprisonnement ni obligée de payer une amende et de subir l'emprisonnement.

2. Nulle condamnation pour un délit quelconque décrit dans le règlement précédent ne sera invalide ou inadmissible, ou sujette à révision sur appel, mandat d'évocation (*certiorari*) ou autrement simplement parce que la peine prononcée ou imposée était une amende ou peine pécuniaire d'un montant n'excédant pas $5,000 et d'au moins $250 si la personne trouvée coupable est condamnée à être emprisonnée à défaut de paiement de l'amende pour une période n'excédant pas la période maximum d'emprisonnement que la loi autorise à imposer pour ledit délit.

3. Rien dans les règlements qui précèdent ne sera censé valider ou affecter une condamnation quelconque dans la prononciation de laquelle la juridiction de la cour ou du magistrat était défectueuse du fait que la Couronne n'était pas représentée dans la poursuite ou du fait que le consentement requis du Procureur général n'avait pas été donné ainsi que prescrit par la loi, ou autrement que spécifiquement prescrit dans le règlement qui précède.

4. Les présents règlements s'appliqueront aux délits antérieurement commis et aux causes pendantes aussi bien qu'aux délits futurs.

Greffier du Conseil privé.

DEMANDES AU PARLEMENT.

SÉNAT.

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDURE DU SÉNAT CONCERNANT LES BILS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1916.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre, si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée «partie défenderesse.»

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables on été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante jours premiers de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicil conjugale, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat, aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse, et donner dans cet avis au greffier du Sénat:

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat, doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

A. E. BLOUNT,
Greffier du Sénat.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré dans la *Gazette du Canada;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada,* l doit en être publié un semblable, comme il suit:

A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal,* —dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une *compagnie de télégraphe ou de téléphone,* —dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une *compagnie pour la confection de travaux quelconques,* dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une *compagnie de banque; une compagnie d'assurance;* une *compagnie de crédit;* une *compagnie de prêt;* ou une *compagnie industrielle,* sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les requérants devront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis,* que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de prolonger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs), d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit dans la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: "*Avis de bill privé*"; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes, mentionner en même temps et de la même manière les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toutes personne qui voudra obtenir un bill privé, si elle se propose de la présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 60 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

A. E. BLOUNT,
Greffier du Sénat.

CHAMBRE DES COMMUNES.

RÉGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, mais tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instructions aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôts de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenue de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la Chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents dollars.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir:

(*a*) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill, pour chaque suspension..........	100 00
(*b*) Lorsqu'un bill est présenté dans la Chambre après la huitième semaine de la session et avant la fin de la douzième.............	100 00
(*c*) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session............	200 00
(*d*) Lorsque le capital social projeté d'une compagnie dépasse $250,000, et n'excède pas $500,000...........	100 00

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, e droit additionnel est de $300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

ORDERS IN COUNCIL.

[The following Order in Council was first published in an *Extra of the* CANADA GAZETTE, dated the *10th March, 1919.*]

[274]

AT THE GOVERNMENT HOUSE AT OTTAWA

Saturday, the 8th day of February, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Minister of Militia and Defence reports as follows :—

That the provisions of the laws in the various provinces of Canada, with regard to the sale of liquor to soldiers in uniform are not sufficiently effective in many cases, especially in the case of civilians purchasing or procuring liquor from licensed dealers and delivering it to soldiers outside the premises without the re-sale thereof ;

That in view of the great number of troops now returning to Canada, it is necessary, in the interests of military discipline and efficiency and for the protection of soldiers generally, that further restrictions be made in regard to the furnishing of liquor to soldiers in uniform and not on duty. Considerable difficulty has been experienced on account of liquor being supplied to soldiers on troop trains proceeding from the point of disembarkation ;

That by Order in Council of the 4th December, 1916 (P.C. 2989) certain regulations were made prohibiting the furnishing of liquor to any member of His Majesty's Forces, while performing certain military duties therein enumerated,—

Therefore His Excellency the Governor General in Council, under the powers conferred upon him by The War Measures Act, 1914, is pleased to order and it is hereby ordered that the said Order in Council of the 4th December, 1916 (P.C. 2989), be cancelled, and that the following regulations be substituted therefor :—

Regulations.

1. The sale, gift or delivery of intoxicating liquor to officers and men in uniform, whether members of the C.E.F. or otherwise, and whether on duty or on leave, and under any circumstances save in the course of regular medical treatment administered by or under the direction of medical officers of the C.A.M.C. on active service, or otherwise in the course of lawful medical or hospital treatment by or under the direction of legally qualified physicians or surgeons, is expressly forbidden.

2. Every person other than medical officers and physicians and surgeons as provided for in the next preceding paragraph, even if licensed for the sale of intoxicating liquor, who sells, gives or delivers intoxicating liquor to officers and men in uniform in violation of these regulations, or of any other regulations in that behalf, shall be guilty of an offence under section 40 of The Army Act, and may be apprehended and detained as if subject to military law and tried by General or District Court Martial, as the circumstances may demand in the opinion of Officer Commanding the district in which the offence was committed.

3. Any person guilty of a violation of any of these regulations shall, whether or not he is liable to any other punishment, be liable on summary conviction under the provisions of Part XV of the Criminal Code to a fine not exceeding $300.00 or to imprisonment ofr any term not exceeding twelve months, or to both fine and imprisonment.

4. In any prosecutions under these regulations the onus shall be upon the accused of proving that the sale, gift, or delivery of such intoxicating liquor to soldiers in uniform was not in contravention of these or any other regulations on this behalf.

Clerk of the Privy Council.

Monday, the 17th day of February, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Minister of the Interior reports a follows :—

That it has been decided to include Section 11, Township 36, Range 20, west of the Principal Meridian, in the Pine River Indian Reserve, and to select a section of Dominion Lands to compensate the School Lands Endowment Fund;

That the agent of Dominion Lands at Dauphin was, therefore, instructed to have an inspector make a selection of an available section of Dominion Lands to be set apart as School Lands in lieu of Section 11, Township 36, Range 20, west of the Principal Meridian;

That the agent now forwards to the Department of the Interior the report of Homestead Inspector Thomas C. Secord, making a selection of Section 9, Township 36, Range 20, west of the Principal Meridian, to replace Section 11 above mentioned;

That under paragraph two of Section 39 of the Dominion Lands Act, the Governor in Council may authorize the Minister to set aside, for the purpose of an Indian Reserve, lands which under the provisions of the Act are School Lands or lands which upon survey will become School Lands, but not until other Dominion Lands of equal value as nearly as may be, have been selected in lieu thereof, and when other Dominion Lands have been so selected and have been designated by the Minister as School Lands, they shall thereafter be and become School Lands and be dealt with in the same manner as ordinary School Lands are dealt with under the provisions of the Act,—

Therefore, His Excellency the Governor General in Council, is pleased to authorize and doth hereby authorize the transfer of Section 11, Township 36, Range 20, west of the Principal Meridian, to the Pine River Indian Reserve, and the reservation in lieu thereof, of Section 9, Township 36, Range 20, west of the Principal Meridian as School Lands, as it has been reported that the said Section 9 is vacant and available for transfer.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 26th day of February, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Minister of the Interior reports :—That section 29 of the petroleum and natural gas regulations, approved by Order in Council dated the 19th of January, 1914 (P.C. 154), as amended by subsequent Orders in Council, provides that the lessee shall at all times take reasonable measures to prevent the injurious access of water to the oil-bearing formation ; that should natural gas be discovered he shall take all reasonable and proper precautions to prevent the waste of such gas ; that should salt water be encountered through operations on the location, the lessee shall immediately and effectively, to the satisfaction of the Minister, close the well at such depth as may prevent such water from gaining access to the oil-bearing formation ; that the Minister may from time to time make such additional regulations as may appear to be necessary or expedient covering the manner in which boring operations shall be conducted, and the manner in which wells shall be operated ; and that failure on the part of the lessee to comply with the above requirements, or to comply with such requirements as the Minister may consider it necessary to impose in respect of boring and operating, will render the lease subject to cancellation in the discretion of the Minister ;

And whereas the Minister further reports that cancellation of the lease might not in some cases be regarded as a sufficient penalty for failure to comply with the requirements above set out,—

Therefore, His Excellency the Governor General in Council, is pleased to make and enact the following additional regulations, and the same are hereby made and enacted accordingly :—

In the event of natural gas being discovered through boring operations conducted on a petroleum and natural gas location acquired under the provisions of the regulations, or in the event of water being encountered through such operations, if the escape of such gas is not prevented, or if the flow of such water is not controlled, the Minister may take such effective means as may appear to him to be necessary or expedient in the public interest to control and prevent the escape of the natural gas, or to close the well at such depth as may prevent the water from gaining access to any oil-bearing formation, or both, or to prevent water from gaining access to or escaping from such well, and to recover from the lessee of the location upon which the well was bored all costs and expenses incurred by the Crown in stopping the escape of natural gas, or the ingress or egress of water to or from the well, or in closing the well at such a depth as may prevent such water from gaining access to such oil-bearing formations. In taking such means for the control of the gas or water, the Minister may appoint such agent or agents as he may deem necessary, and may authorize such agent or agents to enter upon the premises and perform the work, and for that purpose to take possession of and use any drilling rig, derrick, tools, machinery, or other appliances or equipment necessary for the performance of the work, which may be upon the location, or which may be the property of the lessee.

The lessee shall, before commencing boring operations on a location acquired under the provisions of the regulations, notify the Minister in writing of his intention to commence such operations, and the approximate date, and such notification shall contain the following information :—

1. The particular point on the location at which operations are to be conducted ;
2. The number or other designation by which the well shall be known, which number or designation shall not be changed without the consent of the Minister ;
3. The size and weight of casing to be used ;
4. The kind of drilling rig to be employed ;
5. The name and post office address of the person in charge of such operations.

Failure or neglect on the part of the lessee to so notify the Minister of his intention to commence boring operations, or to furnish the information provided for, shall render the lease liable to cancellation, as well as any lease or leases with which the same may be grouped under the regulations.

In case the lessee desire to abandon a well bored on a location acquired under the regulations, he shall before abandoning the same and before removing the rig, derrick or other operating structure therefrom, and before removing any part of the casing from the well, notify the Minister in writing of his intention so to do, and use every effort in accordance with approved methods to shut off and exclude all water from entering the oil-bearing strata which may have been encountered in the well. Before commencing the removal of the casing, rig, derrick, or other operating structure, the lessee shall obtain written permission to do so from the Minister, or from such officer as the Minister may designate for that purpose. The lessee shall, when making application to abandon, furnish a plan of the log of the well—if he has not already done so—and submit a declaration containing the following information :—

1. The approximate date upon which the proposed abandonment or removal shall begin ;
2. The quantity and size of casing in the well ;
3. The quantity and size of casing proposed to be removed ;
4. The depth at which water was encountered ;
5. The manner in which water has been or will be effectively shut off ;
6. The depth at which natural gas was encountered ;
7. Whether any gas will be wasted or permitted to escape from the well by reason of the abandonment.

Failure or neglect on the part of the lessee to comply fully with this regulation shall render the lease liable to cancellation, as well as any lease or leases with which the same may be grouped under the provisions of the regulations.

Clerk of the Privy Council.

[463]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 3rd day of March, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 21st February, 1919, from the Minister of the Interior, stating that the Salt of the Earth mineral claim, situated on lots 11 and 12 of McKay settlement on the Athabaska river, staked by Alfred von Hammerstein in 1909 under the provisions of the Quartz Mining Regulations, was surveyed by A. J. Tremblay, Dominion Land Surveyor, but the survey could not be approved because the parcel exceeds by 105 feet the maximum dimensions of 1,500 feet fixed by section 12 of the Regulations and because the survey was not governed by the location line as required by section 18 of the Regulations. The claim was sold to Miss Helen Burrell, and is said by her to be owned by her brother, Major Burrell, M.C., who has been for years at the front and was wounded. It is represented by Miss Burrell that the survey cannot be corrected by Surveyor Tremblay, who was killed in France, and that the claim being so far away, the cost of a new survey would be excessive.

The Minister recommends, inasmuch as the excess in the dimensions of the claim is small, as the other departure from the regulations is unimportant, and as lots 11 and 12 on which the mineral claim is situated are vacant and there are no conflicting claims, that the approval of A. J. Tremblay's survey of the Salt of the Earth mineral claim be authorized.

The Committee concur in the foregoing recommendation, and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had under consideration a report from the Minister of the Interior, submitting that Mr. Geo. Jones was granted pre-emption entry on the 7th August, 1912, for the S.W. quarter of Section 13, Township 6, Range 7, west of the 3rd Meridian, in the Province of Saskatchewan; that Mr. Jones applied for patent for this land on the 18th December, 1918, and from the evidence submitted it appears that the entrant did not reside upon his pre-emption or upon his homestead as required by The Dominion Lands Act, but lived from the 27th December, 1912, to date of said application, on his father's land, the N.E. quarter of Section 28, Township 5, Range 7, west of the 3rd Mer., within the statutory nine miles of his own land; that Mr. Jones has completed the required cultivation duties in connection with both homestead and pre-emption; that his physician, in a medical certificate under date of the 17th December, 1918, states that it is impossible for the entrant to resume farm work as he is suffering from hunch back, (Tuberculosis Infection) and has been obliged to stay with his father and mother on their homestead when proving up his own homestead and pre-emption.

In view of the statement set out in the medical certificate furnished, the Minister recommends that authority be given under subsection 2 of section 20 of The Dominion Lands Act, to dispense with further residence duties, and that free patent be issued to Mr. Jones, on proof being furnished in the ordinary way that the other duties have been completed, and that the land has been paid for in full.

The committee concur in the foregoing recommendation and submit the same for approval.

CIVIL SERVICE COMMISSION OF CANADA.

Examination for entrance to the Royal Naval College of Canada.

PUBLIC Notice is hereby given that a general competitive examination for entrance to the Royal Naval College of Canada will be held under the direction of the Civil Service Commission on Tuesday, June 17, 1919, and following days at Victoria, Calgary, Regina, Winnipeg, Toronto, Ottawa, Montreal, Quebec, St. John, Halifax, and any other centre found necessary.

It is to be understood that under present conditions the Department of the Naval Service does not in any way bind itself to issue commissions to graduates of the Royal Naval College, nor, on the other hand, does it require graduate cadets to adopt a naval career. Arrangements have however, been made with the Admiralty by which they have agreed to accept each year eight cadets who have completed their course at the college, provided these cadets have obtained the required standard of efficiency. They will be entered in the Royal Navy on the same standing as cadets from the Imperial Naval Colleges of Osborne and Dartmouth. While the future of the Royal Canadian Navy is in doubt the Department of the Naval Service does not guarantee that any cadets passing out from the college will have the opportunity of joining that service.

Arrangements have been completed with the Universities of McGill and Toronto by which they will admit graduates of the Royal Naval College to the second year of the course of Applied Science in the above mentioned universities. Other universities will, doubtless, be pleased to extend the same privilege.

Full information respecting the above examination, together with the necessary application form, may be obtained from the Secretary of the Civil Service Commission, Ottawa, either by personal application or by letter.

Application forms duly filled in and accompanied by the prescribed examination fee must be filed with the Civil Service Commission not later than the 24th May, 1919. No exceptions can or will be made to this rule.

By order of the Commission,

W. FORAN,
Secretary.

Ottawa, March 13, 1919. 37-1

APLICATIONS TO PARLIAMENT.

THE SENATE.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As revised and brought in force 22nd March, 1916.

Every applicant for a bill of divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia, or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but, otherwise, shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session, the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known, or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for a bill of divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage the names in full of the parties thereto, their ages and occupations, when, where, and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of, the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893.*

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(*1*) The petitioner's residence at the time of service.

(*2*) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(*3*) The name and address of the solicitor, if any, acting for the petitioner.

(*4*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(*5*) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

(*a*) The respondent's residence at the time of sending such notice.

(*b*) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(*c*) The name and address of the solicitor, if any, acting for the respondent.

(*d*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(*6*) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(*7*) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the

satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars ($210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

Mardi, le 4e jour de février 1919.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 16e jour de janvier 1919, représentant ce qui suit :

M. John Cawkell, de Drumheller, Alberta, a demandé la permission de faire usage d'une petite île dans la rivière Red Deer, comprenant une partie de la section 11, township 29, rang 20, à l'ouest du 4e méridien, pour y faire l'élevage des canards, des oies et des poulets ;

En vertu du paragraphe 2 de l'article 4 de la *Loi des terres fédérales*, les terres des écoles peuvent être louées pour des fins quelconques à toute personne, municipalité ou corporation, ainsi que prescrit par des règlements établis par le Gouverneur en conseil ;

Toutefois, vu que cette île est voisine de la ville de Drumheller, le département de l'Intérieur a demandé aux autorités de cette ville de l'aviser si la cession à bail de cette île pour les fins susdites serait de quelque façon préjudiciable à la ville, et le secrétaire-trésorier de la municipalité a répondu au département que permission pouvait être accordée à M. Cawkell de faire usage de l'île en question pour l'élevage des canards, des oies et des poulets, pourvu que le bail soit résiliable à la fin de chaque année au cas où cela deviendrait une nuisance ;

Par conséquent, il a été décidé d'accorder à M. Cawkell le privilège de faire usage de l'île durant le bon plaisir du ministre, moyennant un loyer annuel de $2.00, ce privilège étant en tout temps sujet à annulation sur avis raisonnable,—

Par conséquent, vu que M. Cawkell a payé le loyer de la première année, soit $2.00, le ministre de l'Intérieur recommande qu'il soit autorisé à accorder à M. Cawkell, de Drumheller, Alberta, la permission de faire usage d'une petite île située dans les quarts sud-est et nord-est de la section 11, township 29, rang 20, à l'ouest du 4e méridien, pour l'élevage des canards, des oies et des poulets, ce privilège étant sujet à annulation après soixante jours d'avis au locataire.

Le comité agrée cet recommandation et la soumet pour approbation.

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que le ministre de l'Intérieur fait rapport comme suit :—

Il a été décidé d'inclure la section 11, township 36, rang 20, à l'ouest du méridien principal, dans la réserve des sauvages de Pine River et de substituer à ladite section une section de terres fédérales pour le fonds des terres des écoles ;

L'agent des terres fédérales à Dauphin a par conséquent reçu instruction de faire choisir par un inspecteur une section disponible de terres fédérales pour être réservée comme terres des écoles en remplacement de la section 11, township 36, rang 20, à l'ouest du méridien principal ;

L'agent du département de l'Intérieur soumet le rapport de l'inspecteur de homesteads Thomas C. Secord, dans lequel ce dernier déclare avoir choisi la section 9, township 36, rang 20, à l'ouest du méridien principal, en remplacement de ladite section 11 ;

Sous l'empire du paragraphe 2 de l'article 39 de la *Loi des terres fédérales*, le Gouverneur en conseil peut autoriser le ministre à mettre à part à titre de réserve affectée aux sauvages des terres qui, aux termes de la présente loi, sont des terres des écoles, ou des terres qui, par l'arpentage, deviendront des terres des écoles, mais pas avant que d'autres terres fédérales, de valeur égale autant que possible, aient été choisies à leur place; et lorsque d'autres terres fédérales auront été ainsi choisies et auront été désignées comme "terres des écoles" par le ministre, elles seront de ce moment et deviendront terres des écoles, et il en sera disposé de la même manière qu'il est disposé des terres des écoles ordinaires sous le régime des dispositions de la présente loi,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil d'autoriser par les présentes le transfert à la réserve des sauvages de Pine River de la section 11, township 36, rang 20, à l'ouest du méridien principal, et la mise en réserve comme terres des écoles de la section 9, township 36, rang 20, à l'est du méridien principal, cette section ayant été déclarée vacante et disponible pour le transfert.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

IL plaît à Son Excellence le Gouverneur général en Conseil, à la recommandation du ministre de l'Intérieur, d'autoriser par les présentes l'émission de permis de pâturage sur les terres disponibles des townships 15, 16 et 17, rang 3, et du township 15, rang 4, à l'ouest du 3e méridien, dans la province de Saskatchewan, ainsi que des townships 20, 21 et 22, rang 3, à l'ouest du 4e méridien, dans la province d'Alberta, lesquelles ont été réservées pour fins de stations de remonte, aux conditions suivantes :—

(1) Seuls peuvent obtenir des permis les sujets britanniques et les compagnies constituées en corporation sous l'empire des lois du Canada ou des lois d'une province quelconque du Canada, et dont le président, le vice-président et une majorité des directeurs sont sujets britanniques et qui ne sont aucunement sous le contrôle d'étrangers ou d'une ou de plusieurs corporations étrangères.

(2) L'étendue maximum pouvant être obtenue sous permis par un individu ou une compagnie ne dépassera pas 12,000 acres.

(3) Le loyer sera au taux de 4 cents l'acre par année payable d'avance.

(4) Toute demande de permis sera faite à l'agent des terres fédérales du district où sont situés les terrains demandés et devra inclure le montant du loyer des premiers six mois.

(5) L'agent transmettra les demandes au Département, qui, après avoir fait afficher des avis par le requérant sur les terrains demandés et en avoir fait faire l'inspection, décidera si le permis doit être accordé.

(6) Avant que le permis soit accordé, le requérant affichera pendant trente jours des avis de sa demande dans au moins quatre endroits bien en vue sur les terrains faisant l'objet de la demande, ainsi que dans les bureaux de poste les plus rapprochés, et fera une déclaration statutaire à cet effet.

(7) Dans les six mois qui suivront immédiatement la date de son permis, le concessionnaire mettra, sur le terrain faisant l'objet de son permis, au moins une tête de bétail ou un cheval d'un an au moins, ou cinq moutons, dont il sera propriétaire, par chaque trente acres de terrain.

(8) Le concessionnaire maintiendra sur le terrain le nombre requis de têtes de bétail et fera une déclation statutaire indiquant le nombre de bestiaux qu'il a sur le terrain au 1er juillet de chaque année ou à toute autre date, ainsi que pourra l'exiger le département.

(9) Tout tel permis expirera le 31 décembre suivant la date de tel permis.

(10) L'obtention d'un permis ne donnera pas au porteur de tel permis le droit d'en obtenir le renouvellement, mais le ministre peut, à sa discrétion, accorder des renouvellements d'année en année ; le porteur de tel permis aura alors priorité de droit au renouvellement, mais demande de tel renouvellement doit être faite au département pas plus tard que le 1er décembre précédant l'expiration de tels permis et doit inclure le montant du loyer pour l'année suivante.

(11) Nuls bâtiments ne seront érigés sur le terrain objet du permis sauf les constructions temporaires nécessaires pour abriter le bétail.

(12) Si, lorsque le permis expire, le concessionnaire néglige d'en obtenir le renouvellement, il aura droit d'emporter, dans un temps raisonnable à être fixé par le ministre de l'Intérieur, toutes constructions temporaires ou clôtures qu'il aurait pu y ériger, mais il n'aura droit à aucune compensation.

(13) Le concessionnaire aura cependant droit au foin qui se trouve sur le terrain et qui est nécessaire pour l'entretien de son bétail, mais il ne pourra le vendre ni l'échanger.

(14) Si un concessionnaire désire garder des moutons en pâturage, il devra entourer le pâturage d'une clôture que les moutons ne peuvent franchir.

(15) Un concessionnaire ne peut disposer de son permis sans le consentement du ministre de l'Intérieur.

(16) Tout permis est sujet à annulation sommaire si le concessionnaire néglige de se conformer à une prescription quelconque des présents règlements ou s'il fait de fausses représentations relativement à des faits d'importance.

Greffier du Conseil privé.

Samedi, le 8e jour de février 1919.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que le ministre de la Milice et de la Défense fait rapport comme suit :

Les dispositions des lois des diverses provinces du Canada concernant la vente des liqueurs aux soldats en uniforme ne sont pas suffisamment efficaces dans nombre de cas, spécialement dans le cas de civils qui achètent ou se procurent des liqueurs des marchands licenciés et les délivrent aux soldats hors des débits licenciés sans les revendre ;

En vue du grand nombre de troupes revenant actuellement au Canada, il est nécessaire, dans l'intérêt de la discipline et de l'efficacité militaire et pour la protection des soldats en général, que d'autres restrictions soient imposées en ce qui concerne l'offre de liqueurs aux soldats en uniforme et non en service. Des difficultés consdérables ont été éprouvées du fait que des liqueurs étaient fournies aux soldats sur les convois de troupes venant des points de débarquement ;

Par un arrêté en conseil du 4 décembre 1916 (C.P. 2989), furent établis certains règlements défendant de fournir des liqueurs à tout membre des forces de Sa Majesté pendant l'accomplissement de certains devoirs militaires énumérés dans ces règlements,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, en vertu des pouvoirs qui lui sont conférés par la *Loi des mesures de guerre de 1914*, de décréter par les présentes que ledit arrêté en conseil du 4 décembre 1916 (C.P. 2989) soit rescindé et que les règlements suivants lui soient substitués:

Règlements.

1. Est expressément prohibée la vente, le don ou la livraison de liqueurs enivrantes aux officiers et soldats en uniforme, qu'ils soient membres du corps expéditionnaire canadien ou autrement, et qu'ils soient en service ou en congé, et dans toute circonstance sauf au cours d'un traitement médical régulier administré par les officiers médicaux du corps médical de l'armée canadienne en service actif ou sous leur direction, ou autrement au cours d'un traitement médical ou d'un traitement dans un hôpital par des médecins ou chirurgiens légalement qualifiés ou sous leur direction.

2. Toute personne autre que les officiers médicaux, médecins et chirurgiens mentionnés dans le paragraphe précédent, même si elle est licenciée pour la vente des liqueurs enivrantes, qui vend, donne ou délivre des liqueurs enivrantes aux officiers et soldats en uniforme en contravention des présents règlements ou de tous autres règlements au même effet, est coupable de délit sous le régime de l'article 40 de l'*Army Act* et peut être appréhendée et détenue comme si elle était sujette à la loi militaire et jugée par une cour martiale générale ou divisionnaire, selon que les circonstances peuvent l'exiger à l'avis de l'officier commandant le district dans lequel le délit a été commis.

3. Toute personne coupable d'infraction des présents règlements, qu'elle soit ou non passible d'autres peines, est passible, sur conviction sommaire, sous le régime des dispositions de la partie XV du Code criminel d'une amende n'excédant pas $300 ou d'emprisonnement pour une période n'excédant pas douze mois, ou des deux peines de l'amende et de l'emprisonnement.

4. Dans toute poursuite sous le régime des présents règlements est à charge de l'accusé la preuve que la vente, le don ou la livraison de telles liqueurs enivrantes aux soldats en uniforme n'était pas en contravention des présents règlements ou de tous autres règlements au même effet.

Mardi, le 4e jour de mars 1919.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur représentant qu'à M. Geo. Jones a été accordée une inscription de préemption, le 7 août 1912, pour le quart sud-ouest de la section 13, township 6, rang 7, à l'ouest du 3e méridien, dans la province de la Saskatchewan. M. Jones a demandé la patente de ce terrain le 18 décembre 1918, et d'après certaines dépositions il paraîtrait que l'inscrit n'aurait pas fait de résidence sur son terrain préempté ou son homestead ainsi que requis par la *Loi des terres fédérales*, mais qu'il a résidé du 27 décembre 1912 jusqu'à la date de telle demande sur le terrain de son père, soit le quart nord-est de la section 28, township 5, rang 7, à l'ouest du 3e méridien, dans les limites des neuf milles statutaires de son propre terrain. Mr. Jones a accompli les obligations de résidence requises en rapport avec le terrain, objet de son inscription de homestead et de préemption. Son médecin déclare, dans un certificat médical du 17 décembre 1918, qu'il est impossible à l'inscrit de se remettre aux travaux de la ferme vu qu'il est devenu bossu (infection tuberculeuse), et a dû demeurer avec son père et sa mère sur leur homestead lorsqu'il a établi ses droits au homestead et à la préemption.

Vu la déclaration contenue dans le certificat médical qui a été soumis, le ministre recommande que M. Jones soit en ce cas relevé de toute obligation de résidence à l'avenir en vertu du paragraphe 2 de l'article 20 de la *Loi des terres fédérales*, et que patente gratuite lui soit délivrée sur preuve fournie de la manière ordinaire que les autres obligations ont été remplies et que le prix total du terrain a été payé.

Le comité agrée cette recommandation et la soumet pour approbation.

RODOLPHE BOUDREAU,
37-4 Greffier du Conseil privé.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 21e jour de février 1919, représentant que le claim minier "Salt of the Earth", situé sur les lots 11 et 12 de l'établissement McKay, sur la rivière Athabaska, jalonné par Alfred Von Hammerstein en 1909, sous le regime des règlements des mines de quartz, a été arpenté par A. J. Tremblay, arpenteur des terres fédérales, mais que cet arpentage n'a pu être approuvé parce que le terrain en question excède de 105 pieds le maximum de 1,500 pieds fixé par le paragraphe 12 des règlements et aussi parce que l'arpentage n'a pas été fait d'après la ligne de location ainsi que requis par l'article 18 des règlements. Le claim a été vendu à mademoiselle Helen Burrell, qui dit qu'il appartient à son frère, le major Burrell, M.C., qui a été plusieurs années au front et y a été blessé. Mademoiselle Burrell représente que l'arpentage ne peut être corrigé par l'arpenteur Tremblay, qui a été tué au front, et que ce claim est si éloigné que le coût d'un nouvel arpentage serait excessif.

Le ministre recommande, vu que l'excédent de dimensions du claim est minime et que les lots 11 et 12 où le claim minier se trouve situé sont inoccupés et que personne autre ne les réclame, que l'arpentage fait par A. J. Tremblay du claim minier "Salt of the Earth" soit approuvé.

Le comité agrée cette recommandation et la soumet pour approbation.

HOTEL DU GOUVERNEMENT A OTTAWA.

Mercredi, le 26e jour de février 1919.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que le Ministre de l'Intérieur fait rapport comme suit:

Que l'article 29 des règlements régissant l'extraction du pétrole et du gaz naturel, approuvés par un arrêté en conseil daté le 19 janvier 1914 (C.P. 154), ainsi que modifiés par des arrêtés en conseil subséquents, prescrit que le locataire prendra en tout temps des précautions raisonnables pour empêcher l'accès nuisible de l'eau aux gisements pétrolifères; que si du gaz naturel est découvert, il prendra toutes les précautions raisonnables et nécessaires pour empêcher la perte de ce gaz; que si les travaux sur la concession revèlent la présence d'eau salée, il devra immédiatement et efficacement, à la satisfaction du ministre, obturer le puits à une profondeur suffisante pour empêcher cette eau d'avoir accès au gisement pétrolifère; que le ministre peut de temps à autre établir les règlements additionnels qui lui semblent nécessaires ou opportuns au sujet de la direction des travaux de forage et de l'exploitation des puits; et que si le locataire ne se conforme pas aux stipulations ci-dessus ou aux autres obligations que le ministre peut juger nécessaire d'imposer en ce qui concerne les travaux de forage et d'exploitation, le bail peut être annulé à la discrétion du ministre;

Et attendu que le Ministre de l'Intérieur fait de plus rapport que l'annulation du bail pourrait dans certains cas ne pas être considérée une peine suffisante pour défaut de se conformer aux obligations ci-dessus prescrites,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil de faire et décréter les règlements additionnels suivants, qui sont par les présentes faits et décrétés en conséquence.

Au cas où du gaz naturel est découvert au moyen de travaux de forage exécutés sur un terrain loué pour l'extraction du pétrole et du gaz naturel sous le régime des dispositions des règlements, ou au cas où l'eau ferait irruption au cours de ces travaux, si la fuite du gaz n'est pas arrêtée ou si le flux de l'eau n'est pas contrôlé, le ministre peut prendre tels moyens efficaces qu'il juge nécessaires ou opportuns dans l'intérêt public pour arrêter et empêcher la fuite du gaz naturel ou pour obturer le puits à telle profondeur qui puisse empêcher l'eau d'avoir accès à un gisement pétrolifère quelconque, ou l'un et l'autre, ou pour empêcher l'eau d'avoir accès à ce puits ou de s'en échapper, et pour recouvrer du locataire du terrain où le puits a été foré tous les frais encourus par la Couronne en arrêtant la fuite du gaz naturel ou l'accès d'eau au puits ou son écoulement du puits, ou en obturant le puits à une profondeur qui puisse empêcher cette eau d'avoir accès aux gisements pétrolifères. Pour appliquer ces mesures de refluement du gaz et de l'eau le ministre peut nommer tel agent ou tels agents qu'il peut juger nécessaire, et il peut autoriser tel agent ou tels agents à se rendre sur les lieux et à faire les travaux nécessaires et, à cette fin, à prendre possession et se servir des instruments de forage, de la chèvre, des outils, machines ou autres appareils ou outillage nécessaires pour l'exécution du travail et qui peuvent se trouver sur les lieux ou être la propriété du locataire.

Avant de commencer les travaux de forage sur une concession acquise sous le régime des dispositions des règlements, le locataire notifiera le ministre par écrit de son intention de commencer ces travaux, ainsi que de la date approximative, cet avis devant contenir les détails suivants:

1. L'endroit particulier de la concession où les travaux doivent être exécutés.
2. Le numéro ou autre désignation sous lequel ou laquelle le puits sera connu, ce numéro ou cette désignation ne devant pas être changé sans le consentement du ministre.
3. Les dimensions et le poids du tubage qui sera employé.
4. La description de l'outillage qui servira pour le forage.
5. Le nom et l'adresse postale de la personne en charge des travaux.

Le refus ou la négligence du locataire d'ainsi notifier le ministre de son intention de commencer les travaux de forage ou de fournir les renseignements exigés rend le bail sujet à annulation, de même que tout bail ou tous baux avec lequel ou lesquels ce premier bail peut être groupé sous le régime des règlements.

Au cas où le locataire désire abandonner un puits creusé sur une concession acquise sous le régime des règlements, il devra, avant d'abandonner le puits, et avant d'enlever l'outillage de forage, la chèvre ou autres appareils, et avant d'enlever une partie quelconque du tubage du puits, notifier le ministre par écrit de son intention de le faire, et prendre tous les moyens conformes aux méthodes approuvées pour empêcher l'eau d'avoir accès aux gisements pétrolifères qui peuvent avoir été découverts. Avant de commencer à enlever le tubage, l'outillage de forage, la chèvre ou les autres appareils, le locataire en obtiendra la permission écrite du ministre ou de tel fonctionnaire que le ministre peut désigner à cette fin. En même temps que sa demande d'abandonner le puits, le locataire doit remettre un plan du puits, s'il ne l'a déjà fait, et faire une déclaration contenant les détails suivants:

1. La date approximative de l'abandon projeté ou la date où commencera l'enlèvement de l'outillage.
2. La quantité et la dimension du tubage dans le puits.
3. La quantité et la dimension du tubage qu'on se propose d'enlever.
4. La profondeur où l'eau a fait irruption.
5. De quelle manière l'irruption de l'eau a été ou sera effectivement arrêtée.

6. La profondeur où le gaz naturel a été découvert.
7. Si du fait d'abandonner le puits il y aura perte ou fuite de gaz.

Le refus ou la négligence du locataire de se conformer en tous points à ce règlement rend le bail sujet à annulation, de même que tout bail ou tous baux avec lequel ou lesquels ce premier bail peut être groupé sous le régime des règlements.

37-4 Greffier du Conseil privé.

COMMISSION DU SERVICE CIVIL DU CANADA.

Examen d'entrée au Collège Naval Royal du Canada.

AVIS public est par le présent donné qu'un examen de concours général pour entrée au Collège Naval Royal du Canada sera tenu sous la direction de la Commission du Service civil, mardi, le 17 juin 1919 et les jours suivants, à Victoria, Calgary, Régina, Winnipeg, Toronto, Ottawa, Montréal, Québec, St-Jean, Halifax, et autres centres s'il est jugé à propos de le faire.

On attire l'attention sur le fait que dans l'état présent des choses le département du Service naval ne s'engage en aucune façon à donner des commissions aux gradués du Collège Naval Royal, mais il n'exige pas non plus que les gradués cadets suivent la carrière navale. On a cependant effectué une entente avec l'Amirauté par laquelle elle s'est engagée à accepter chaque année huit cadets ayant terminé leurs cours au collège, pourvu qu'ils aient atteint les niveaux d'excellence requis. Ils entreront dans la Marine royale comme cadets sur le même pied que les gradués des collèges navals de Osborne et Darmouth. Aussi longtemps que l'avenir de la Marine Royale Canadienne sera en doute, le département du Service Naval ne garantit à aucun cadet sortant du collège qu'il aura l'occasion de faire partie de ce service.

Une entente a aussi été effectuée avec les universités McGill et Toronto par laquelle elles accepteront les gradués du Collège Naval Royal dans la seconde année du cours de sciences appliquées de ces universités. D'autres universités se feront sans doute un plaisir d'accorder le même privilège.

On peut obtenir du secrétaire de la Commission du Service civil, à Ottawa, sur demande personnelle ou par écrit, les formules de demande d'inscription et tous les renseignements nécessaires.

Les formules de demande d'inscription dûment remplies et accompagnées des honoraires requis doivent parvenir au bureau de la Commission du Service civil pas plus tard que le 24 mai 1919. Cette règle est de rigueur.

Par ordre de la Commission,

WM FORAN,
Secrétaire.

DEMANDES AU PARLEMENT.

SÉNAT.

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDURE DU SÉNAT CONCERNANT LES BILS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1916.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre, si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée «partie défenderesse.»

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables on été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante jours premiers de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicil conjugale, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat, aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse, et donner dans cet avis au greffier du Sénat:

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat, doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

A. E. BLOUNT,
Greffier du Sénat.

SENAT

Avis de bills privés.

Extrait des règles du Sénat.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré dans la *Gazette du Canada;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, l doit en être publié un semblable, comme il suit:

A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*, —dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;
2. Une *compagnie de télégraphe ou de téléphone*, —dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;
3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;
4. Une *compagnie de banque; une compagnie d'assurance;* une *compagnie de crédit;* une *compagnie de prêt;* ou une *compagnie industrielle*, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;
5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les requérants devront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;
2. Afin de prolonger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;
3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs), d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit dans la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: *"Avis de bill privé";* ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes, mentionner en même temps et de la même manière les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toutes personne qui voudra obtenir un bill privé, si elle se propose de la présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 60 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

A. E. BLOUNT,
Greffier du Sénat.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans les cas où un bill accorde le pouvoir d'augmenter à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, tel qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire, imposée sous l'empire des alinéas *b* ou *c* de l'article 3, ne sera pas exigée.

D) Tout pareil avis sera transmis par la poste, par lettre enregistrée, de manière à parvenir au secrétaire de la province et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examinateur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi, et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails ; et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'*acte général;* les bills qui ne seront pas rédigés conformément à cette *règle*, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs *clauses*.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 4th day of February, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 16th January, 1919, from the Minister of the Interior, submitting that as follows:—

Application has been made by Mr. John Cawkell, of Drumheller, Alberta, for permission to use a small island situated in the Red Deer River and comprising a part of Section 11, Township 29, Range 20, west of the 4th Meridian, for the purpose of raising ducks, geese and chickens;

Under subsection 2 of section 4 of The Dominion Lands Act, School Lands may be leased for any purpose whatever to any person, municipality or corporation to be provided by regulations made by the Governor in Council;

As, however, this island immediately adjoins the Town of Drumheller, the authorities of that town were requested to notify the Department of the Interior whether the leasing of this island for the purpose above mentioned would in any way interfere with their town, and in reply the secretary-treasurer of the town notified the Department that permission might be granted to Mr. Cawkell to use the island in question for the purpose of raising ducks, geese and chickens, providing that his rights might be determinable at the expiration of any year, in case the proposed use to which the island was to be put should develop a nuisance or annoyance at any time;

It was, therefore, decided to grant Mr. Cawkell the privilege of using the island during the pleasure of the Minister at an annual rental of $2 per annum, the privilege being subject to cancellation at any time upon reasonable notice,—

The Minister, therefore, recommends,—as Mr. Cawkell has paid the first year's rental, amounting to $2,—that he be authorized to grant permission to Mr. John Cawkell, of Drumheller, Alberta, to use a small island situated in the southeast and northeast quarters of Section 11, Township 29, Range 20, west of the 4th Meridian, for the purpose of raising ducks, geese and chickens, the privilege to be subject to cancellation at any time upon sixty days' notice being given to the lessee.

The Committee concur in the foregoing and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

[418]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 26th day of February, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Minister of the Interior reports:—That section 29 of the petroleum and natural gas regulations, approved by Order in Council dated the 19th of January, 1914 (P.C. 154), as amended by subsequent Orders in Council, provides that the lessee shall at all times take reasonable measures to prevent the injurious access of water to the oil-bearing formation; that should natural gas be discovered he shall take all reasonable and proper precautions to prevent the waste of such gas; that should salt water be encountered through operations on the location, the lessee shall immediately and effectively, to the satisfaction of the Minister, close the well at such depth as may prevent such water from gaining access to the oil-bearing formation; that the Minister may from time to time make such additional regulations as may appear to be necessary or expedient covering the manner in which boring operations shall be conducted, and the manner in which wells shall be operated; and that failure on the part of the lessee to comply with the above requirements, or to comply with such requirements as the Minister may consider it necessary to impose in respect of boring and operating, will render the lease subject to cancellation in the discretion of the Minister;

And whereas the Minister further reports that cancellation of the lease might not in some cases be regarded as a sufficient penalty for failure to comply with the requirements above set out,—

Therefore, His Excellency the Governor General in Council, is pleased to make and enact the following additional regulations, and the same are hereby made and enacted accordingly:—

In the event of natural gas being discovered through boring operations conducted on a petroleum and natural gas location acquired under the provisions of the regulations, or in the event of water being encountered through such operations, if the escape of such gas is not prevented, or if the flow of such water is not controlled, the Minister may take such effective means as may appear to him to be necessary or expedient in the public interest to control and prevent the escape of the natural gas, or to close the well at such depth as may prevent the water from gaining access to any oil-bearing formation, or both, or to prevent water from gaining access to or escaping from such well, and to recover from the lessee of the location upon which the well was bored all costs and expenses incurred by the Crown in stopping the escape of natural gas, or the ingress or egress of water to or from the well, or in closing the well at such a depth as may prevent such water from gaining access to such oil-bearing formations. In taking such means for the control of the gas or water, the Minister may appoint such agent or agents as he may deem necessary, and may authorize such agent or agents to enter upon the premises and perform the work, and for that purpose to take possession of and use any drilling rig, derrick, tools, machinery, or other appliances or equipment necessary for the performance of the work, which may be upon the location, or which may be the property of the lessee.

The lessee shall, before commencing boring operations on a location acquired under the provisions of the regulations, notify the Minister in writing of his intention to commence such operations, and the approximate date, and such notification shall contain the following information:—

1. The particular point on the location at which operations are to be conducted;
2. The number or other designation by which the well shall be known, which number or designation shall not be changed without the consent of the Minister;
3. The size and weight of casing to be used;
4. The kind of drilling rig to be employed;
5. The name and post office address of the person in charge of such operations.

Failure or neglect on the part of the lessee to so notify the Minister of his intention to commence boring operations, or to furnish the information provided for, shall render the lease liable to cancellation, as well as any lease or leases with which the same may be grouped under the regulations.

In case the lessee desire to abandon a well bored on a location acquired under the regulations, he shall before abandoning the same and before removing the rig, derrick or other operating structure therefrom, and before removing any part of the casing from the well, notify the Minister in writing of his intention so to do, and use every effort in accordance with approved methods to shut off and exclude all water from entering the oil-bearing strata which may have been encountered in the well. Before commencing the removal of the casing, rig, derrick, or other operating structure, the lessee shall obtain written permission to do so from the Minister, or from such officer as the Minister may designate for that purpose. The lessee shall, when making application to abandon, furnish a plan of the log of the well—if he has not already done so—and submit a declaration containing the following information:—

1. The approximate date upon which the proposed abandonment or removal shall begin;
2. The quantity and size of casing in the well;
3. The quantity and size of casing proposed to be removed;
4. The depth at which water was encountered;
5. The manner in which water has been or will be effectively shut off;
6. The depth at which natural gas was encountered;
7. Whether any gas will be wasted or permitted to escape from the well by reason of the abandonment.

Failure or neglect on the part of the lessee to comply fully with this regulation shall render the lease liable to cancellation, as well as any lease or leases with which the same may be grouped under the provisions of the regulations.

Clerk of the Privy Council.

[463]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 3rd day of March, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 21st February, 1919, from the Minister of the Interior, stating that the Salt of the Earth mineral claim, situated on lots 11 and 12 of McKay settlement on the Athabaska river, staked by Alfred von Hammerstein in 1909 under the provisions of the Quartz Mining Regulations, was surveyed by A. J. Tremblay, Dominion Land Surveyor, but the survey could not be approved because the parcel exceeds by 105 feet the maximum dimensions of 1,500 feet fixed by section 12 of the Regulations and because the survey was not governed by the location line as required by section 18 of the Regulations. The claim was sold to Miss Helen Burrell, and is said by her to be owned by her brother, Major Burrell, M.C., who has been for years at the front and was wounded. It is represented by Miss Burrell that the survey cannot be corrected by Surveyor Tremblay, who was killed in France, and that the claim being so far away, the cost of a new survey would be excessive.

The Minister recommends, inasmuch as the excess in the dimensions of the claim is small, as the other departure from the regulations is unimportant, and as lots 11 and 12 on which the mineral claim is situated are vacant and there are no conflicting claims, that the approval of A. J. Tremblay's survey of the Salt of the Earth mineral claim be authorized.

The Committee concur in the foregoing recommendation, and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

[350]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 17th day of February, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Minister of the Interior reports as follows:—

That it has been decided to include Section 11, Township 36, Range 20, west of the Principal Meridian, in the Pine River Indian Reserve, and to select a section of Dominion Lands to compensate the School Lands Endowment Fund;

That the agent of Dominion Lands at Dauphin was, therefore, instructed to have an inspector make a selection of an available section of Dominion Lands to be set apart as School Lands in lieu of Section 11, Township 36, Range 20, west of the Principal Meridian;

That the agent now forwards to the Department o the Interior the report of Homestead Inspector Thomas C. Secord, making a selection of Section 9, Township 36, Range 20, west of the Principal Meridian, to replace Section 11 above mentioned;

That under paragraph two of Section 39 of the Dominion Lands Act, the Governor in Council may authorize the Minister to set aside, for the purpose of an Indian Reserve, lands which under the provisions of the Act are School Lands or lands which upon survey will become School Lands, but not until other Dominion Lands of equal value as nearly as may be, have been selected in lieu thereof, and when other Dominion Lands have been so selected and have been designated by the Minister as School Lands, they shall thereafter be and become School Lands and be dealt with in the same manner as ordinary School Lands are dealt with under the provisions of the Act,—

Therefore, His Excellency the Governor General in Council, is pleased to authorize and doth hereby authorize the transfer of Section 11, Township 36, Range 20, west of the Principal Meridian, to the Pine River Indian Reserve, and the reservation in lieu thereof, of Section 9, Township 36, Range 20, west of the Principal Meridian as School Lands, as it has been reported that the said Section 9 is vacant and available for transfer.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Minister of the Interior reports that under subsection 4 of section 11, of The Dominion Lands Act, chapter 20 of the Statutes of 1908, it is provided that every application for homestead entry shall be made by the applicant in person unless otherwise provided by regulations made by the Governor in Council;

That regulations governing applications for homestead entry by proxy were made by Order in Council dated the 26th August, 1908, the last paragraph of which Order in Council, reads as follows:—

> "The homesteader on whose behalf such entry is made shall, before the expiration of six months from the date of the entry, appear personally before the agent and satisfy him by declaration that he is already in residence, or on his way to commence such residence, and in the latter case that he will be in residence before the end of six months. Should he fail to appear, the agent shall cancel the entry without notice at the end of six months from date of entry,—

That in the case of men who have served in the military or naval forces of Great Britain or any of the Allies of Great Britain during the European War, and who have secured homestead entry by proxy after being discharged from military service, there may be exceptional circumstances, such as partial disablement or the necessity for taking agricultural training, which would justify some degree of leniency as to the time of commencement of duties,—

Therefore, His Excellency the Governor General in Council, in view of the above, is pleased to make the following Regulation, and the same is hereby made and enacted accordingly:—

Regulation.

In any case where proxy entry for a homestead is obtained on behalf of a person who has served in the military or naval forces of Great Britain, or any of the Allies of Great Britain in the European War, the provisions of the last paragraph of the Order in Council of the 26th August, 1908, shall not apply, but such additional time may be allowed for the commencement of actual residence as may be deemed by the Minister reasonable under the circumstances.

AT THE GOVERNMENT HOUSE AT OTTAWA

Monday, the 10th day of March, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 20th February, 1919, from the Minister of the Interior, stating that as a result of investigations made by the engineers of the Department of the Interior, it has been found that it would be possible to develop water power at Meadow Portage between Lake Winnipegosis and Lake Manitoba, in the Province of Manitoba, and that such development would require the construction of a canal across certain Dominion Lands.

The approximate location of this canal having been decided upon, steps were taken to reserve the necessary lands upon certain of which, however, homestead entry has already been granted, amongst these being S. W. ¼, Sec. 1, Tp. 31, R. 16, W. P. M., which was homesteaded on January 16, 1913, by Thomas E. Matthison, who subsequently enlisted with the overseas forces, and has since returned.

As the result of an inspection by an officer of the Department who has reported that the following adjustment which is satisfactory to the homesteader is fair and just, the Minister recommends that with a view to withdrawing from the application of the entry the said subdivisions 3 and 4 of the said Section 1, in accordance with the provisions of subsection 6 of section 15 of The Dominion Lands Act as re-enacted by section 1 of chapter 11 of the Statutes of 1909, the Minister be authorized to grant to the homesteader, legal subdivisions 7 and 8 of the same Section, in lieu thereof, and to pay the homesteader six hundred dollars taken from the Water Power appropriation of the current fiscal year to compensate him for the cost of removing his buildings from the said subdivisions 3 and 4, and for the clearing which has been done by him on the said subdivisions, and for the further fact that the land to be granted is less desirable than that which is to be withdrawn from the homestead.

The Committee concur in the foregoing recommendation, and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 7th day of March, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS under the authority of "The Appropriation Act No. 2, 1918," the Governor in Council advanced the sum of $7,471,399.93 or thereabouts to the Grand Trunk Pacific Railway Company for certain purposes in said Act defined, including the meeting of "deficit in operation of the Grand Trunk Pacific Railway System," such sum being in addition to other large sums previously advanced under previous authority for similar purposes:

And whereas a letter dated 4th March, 1919, from the Vice-President of said company was received by the Minister of Finance, as follows:—

"I am instructed to inform the Government that in view of the fact that the increased rates applicable to the Grand Trunk Pacific Railway have not been sufficient to meet the increased operating expenses, it will not be possible for that Company to continue its operations when the present funds have been exhausted, which will be about the 10th instant. May I ask you to be so good as to acknowledge receipt of this letter."

And whereas should the operation of the Grand Trunk Pacific Railway System be discontinued, great detriment to the public interest would ensue, and the intention of Parliament in authorizing the said advances would de defeated;

And whereas the continued operation of said system is essential in the present position of Canada resulting from the war, which has not yet been terminated by peace, especially in connection with the transport of returning Canadian troops and of supplies and equipment and freight, and other services made necessary by the war;

And whereas for the protection of the public interests and for the purposes aforesaid, it is essential that the operation of said system should be continued without interruption;

And whereas the duty of continuing such operation is thrown upon the Government of Canada inasmuch as there are no effective provisions in existing laws whereby such continued operation could be otherwise secured;

And whereas immediate action by the Government is imperative,—

Therefore His Excellency the Governor General in Council, under the authority of The War Measures Act, 1914, and of all other authority in that behalf, is pleased to order and it is hereby ordered as follows:—

1. In this order, unless the contex otherwise requires:—

3. On application of the Government Receiver, the Exchequer Court of Canada may make such orders respecting such Receiver and his powers and duties and the carrying out thereof, including the issue of Receivers Certificates, as the Court may deem necessary or expedient in the public interest.

4. Subsections 5 and 6 of section 26 of the said Act shall apply to the Government Receiver and to the Grand Trunk Pacific Railway System and every part thereof and to the companies included therein, except that no remuneration of the Receiver shall be fixed by the Court.

5. The Government Receiver may, on or after the 10th day of March, 1919, or on such earlier day as the Grand Trunk Pacific Railway Company, or any company included in the Grand Trunk Pacific System, may cease to operate efficiently its undertaking and works or any portion thereof, take possession of such undertaking and works, and the Exchequer Court may from time to time make and enforce such Orders in aid of the Government Receiver with respect to taking of such possession or otherwise as the Court may deem expedient for the carrying out of the provisions of this order according to their true spirit and meaning.

6. Each company included in the Grand Trunk Pacific Railway System and its officers shall facilitate the carrying out of the powers and duties of the Government Receiver, and all books and papers, real or personal property of each of the said companies, in its possession or under its control or the control of its officers or any of them, shall without delay be handed over to the said Receiver or his nominees or placed under his control in such manner as he may direct.

7. Any officer of a company included in the Grand Trunk Pacific Railway System, who obstructs the Government Receiver in carrying out his powers and duties, or fails to hand over to him, or his nominees, or to place under his control, any book or paper, real or personal property in accordance with the foregoing provisions, shall incur a penalty for each breach of said provisions of the amount hereinafter stated, viz: in the case of a President, a Vice-President or a Director, the sum of ten thousand dollars ($10,000); in the case of a Manager, with the authority of or similar to that of a General Manager or of one acting for or assisting a General Manager, the sum of five thousand dollars ($5,000); in the case of a Secretary or of a Treasurer, or of one acting for or assisting a Secretary or Treasurer, the sum of two thousand five hundred dollars ($2,500); in the case of any clerk, servant or employee, the sum of one thousand dollars ($1,000).

8. Any penalty incurred under the foregoing provisions may be sued for and recovered with costs, in the Exchequer Court, by suit or proceeding in such Court instituted by the Attorney General of Canada.

9. Nothing in this order contained, and nothing done or to be done under the authority hereof, shall render the Government of Canada or the Government Receiver, or anyone acting under the authority of the Government Receiver, or of the Exchequer Court, liable to the Grand Trunk Railway Company of Canada, or to any company included in the Grand Trunk Pacific Railway System, or to any creditor, or holder of any bonds, debentures, debenture stock or other securities of the said companies, or any of them, for any claim by reason of the making of this order, or of anything done or to be done under the authority hereof, or under the authority of the Government Receiver or of the Exchequer Court nor shall afford

any defence to, nor shall prejudice any claim, action, or proceeding of the Government of Canada which the Government might lawfully make or take, had this order not been made.

10. All officers except the Board of Directors of any company included in the Grand Trunk Pacific Railway System shall continue to discharge for the Government Receiver, till further orders or directions by him, duties in connection with the operation and management of the undertakings and works of any company included in the Grand Trunk Pacific Railway System, similar to their present duties, so that no interruption in the operation and management thereof may occur.

11. Nothing herein contained or done or to be done hereunder shall prejudice the exercise by the Exchequer Court or by any court of any province of Canada of its present jurisdiction under the Exchequer Court Act, or under any other law or jurisdiction, to appoint a receiver or to order or decree a sale or foreclosure of any railway, or section thereof, or other property affected by this order; provided that before any such sale or foreclosure is ordered or decreed, or any receiver is appointed by any such court, notice of the application shall be given to the Minister of Railways and Canals of Canada, and he or counsel for him shall be heard upon the application, and the court in granting or refusing or postponing the application shall take into consideration the public interests involved, and shall make such order as shall in the opinion of the court protect the public interests.

12. The Minister of Railways and Canals mentioned in this order means the Minister for the time being, and upon a vacancy occurring, his successor shall become the Government Receiver. The powers and duties of the Government Receiver may be exercised by such member of the Government as may from time to time be the Acting Minister of Railways and Canals.

13. Should it be made to appear to the Government Receiver that any book or paper is or has been used for the purposes of the operations of the Grand Trunk Railway Company of Canada, as well as the operations of any company included in the Grand Trunk Pacific Railway System, and that for such reason the same should not be handed over to the Receiver or placed under his exclusive control, the Government Receiver may, on such terms and conditions as he may deem necessary, allow the joint use of same to be continued. The Government Receiver may open such books and accounts as in his opinion may be necessary, to separate and transfer from any such book or paper, jointly used, accounts and entries relating to any of the companies included in the Grand Trunk Pacific Railway System, and may so separate and transfer the same; and the said Receiver shall keep the accounts of his receipts, expenses and disbursements in connection with each of the companies included in the said System, and their works, undertakings and properties, or parts thereof, in such manner that one may be distinguished from another, and that the interests of the various parties interested therein may be ascertained.

14. The Governor in Council may from time to time, under the order of the Exchequer Court, and upon the security of Receivers Certificates, or otherwise, advance to the Government Receiver such sums as may be required to enable him to exercise his powers, and to perform his duties as Receiver; the sums so advanced shall be paid out of any unappropriated monies in the Consolidated Revenue Fund of Canada.

15. No transfer of any shares in the capital stock of any company included in the Grand Trunk Pacific Railway System shall, after the appointment of the Government Receiver, be made, and no such transfer shall be entered on any register or transfer book. Any transfer contrary to this provision shall be null and void; provided that the Government Receiver may, on the application of any person interested, or of his own motion, permit any transfer to be made or completed.

Clerk of the Privy Council.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Minister of the Interior reports that he has received representations that excessive numbers of whitefish abound in the waters of Waterton Lakes Park, in the Province of Alberta, and that petitions have been received from the residents in the neighbourhood of these waters praying that they be permitted to catch whitefish with nets;

And whereas it is stated that these whitefish cannot be caught with rod and line, that they are not game fish, but are an actual detriment to the continued propagation of game fish through their habit of devouring the spawn of these latter,—

Tuesday, the 4th day of March, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had under consideration a report from the Minister of the Interior, submitting that Mr. Geo. Jones was granted pre-emption entry on the 7th August, 1912, for the S.W. quarter of Section 13, Township 6, Range 7, west of the 3rd Meridian, in the Province of Saskatchewan; that Mr. Jones applied for patent for this land on the 18th December, 1918, and from the evidence submitted it appears that the entrant did not reside upon his pre-emption or upon his homestead as required by The Dominion Lands Act, but lived from the 27th December, 1912, to date of said application, on his father's land, the N.E. quarter of Section 28, Township 5, Range 7, west of the 3rd Mer., within the statutory nine miles of his own land; that Mr. Jones has completed the required cultivation duties in connection with both homestead and pre-emption; that his physician, in a medical certificate under date of the 17th December, 1918, states that it is impossible for the entrant to resume farm work as he is suffering from hunch back, (Tuberculosis Infection) and has been obliged to stay with his father and mother on their homestead when proving up his own homestead and pre-emption.

In view of the statement set out in the medical certificate furnished, the Minister recommends that authority be given under subsection 2 of section 20 of The Dominion Lands Act, to dispense with further residence duties, and that free patent be issued to Mr. Jones, on proof being furnished in the ordinary way that the other duties have been completed, and that the land has been paid for in full.

The committee concur in the foregoing recommendation and submit the same for approval.

THE SENATE.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As revised and brought in force 22nd March, 1916.

Every applicant for a bill of divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia, or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but, otherwise, shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session, the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called " the respondent."

If the residence of the respondent is not known, or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition should also negative connivance at, or condonation of, the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893.*

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(*2*) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(*3*) The name and address of the solicitor, if any, acting for the petitioner.

(*4*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(*a*) The respondent's residence at the time of sending such notice.

(*b*) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(*c*) The name and address of the solicitor, if any, acting for the respondent.

(*d*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(*6*) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(*7*) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the

satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars ($210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

HOTEL DU GOUVERNEMENT A OTTAWA.

Mardi, le 4e jour de février 1919.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 16e jour de janvier 1919, représentant ce qui suit :

M. John Cawkell, de Drumheller, Alberta, a demandé la permission de faire usage d'une petite île dans la rivière Red Deer, comprenant une partie de la section 11, township 29, rang 20, à l'ouest du 4e méridien, pour y faire l'élevage des canards, des oies et des poulets ;

En vertu du paragraphe 2 de l'article 4 de la *Loi des terres fédérales*, les terres des écoles peuvent être louées pour des fins quelconques à toute personne, municipalité ou corporation, ainsi que prescrit par des règlements établis par le Gouverneur en conseil ;

Toutefois, vu que cette île est voisine de la ville de Drumheller, le département de l'Intérieur a demandé aux autorités de cette ville de l'aviser si la cession à bail de cette île pour les fins susdites serait de quelque façon préjudiciable à la ville, et le secrétaire-trésorier de la municipalité a répondu au département que permission pouvait être accordée à M. Cawkell de faire usage de l'île en question pour l'élevage des canards, des oies et des poulets, pourvu que le bail soit résiliable à la fin de chaque année au cas où cela deviendrait une nuisance ;

Par conséquent, il a été décidé d'accorder à M. Cawkell le privilège de faire usage de l'île durant le bon plaisir du ministre, moyennant un loyer annuel de $2.00, ce privilège étant en tout temps sujet à annulation sur avis raisonnable,—

Par conséquent, vu que M. Cawkell a payé le loyer de la première année, soit $2.00, le ministre de l'Intérieur recommande qu'il soit autorisé à accorder à M. Cawkell, de Drumheller, Alberta, la permission de faire usage d'une petite île située dans les quarts sud-est et nord-est de la section 11, township 29, rang 20, à l'ouest du 4e méridien, pour l'élevage des canards, des oies et des poulets, ce privilège étant sujet à annulation après soixante jours d'avis au locataire.

Le comité agrée cet recommandation et la soumet pour approbation.

Et attendu que ce terrain a été examiné par un fonctionnaire du département de l'Intérieur, qui fait rapport qu'il n'est plus requis pour les fins auxquelles il a été réservé,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil de décréter par les présentes que les terres ci-dessus décrites soient soustraites de la réserve.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que le ministre de l'Intérieur fait rapport que l'église catholique grecque ruthène de Cesnoho Kresta, à Skaro, dans la province d'Alberta, a demandé la concession pour les fins d'une église et d'un cimetière de vingt acres de terrain compris dans la moitié sud de la subdivision légale 8 de la section 1, township 57, rang 20, à l'ouest du 4e méridien, dans ladite province d'Alberta ;

Et attendu que le ministre de l'Intérieur est d'avis que cette demande soit accordée, le terrain en question étant disponible d'après les archives de son département,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, en vertu des dispositions de l'article 76 de la *Loi des terres fédérales*, de mettre en réserve et d'affecter ledit terrain aux fins d'une église et d'un cimetière et d'en autoriser la concession à l'église catholique grecque ruthène de Czesnoho Kresta à Skaro, dans la province d'Alberta, pour lesdites fins.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que le ministre de l'Intérieur fait rapport comme suit :—

Il a été décidé d'inclure la section 11, township 36, rang 20, à l'ouest du méridien principal, dans la réserve des sauvages de Pine River et de substituer à ladite section une section de terres fédérales pour le fonds des terres des écoles ;

L'agent des terres fédérales à Dauphin a par conséquent reçu instruction de faire choisir par un inspecteur une section disponible de terres fédérales pour être réservée comme terres des écoles en remplacement de la section 11, township 36, rang 20, à l'ouest du méridien principal ;

L'agent du département de l'Intérieur soumet le rapport de l'inspecteur de homesteads Thomas C. Secord, dans lequel ce dernier déclare avoir choisi la section 9, township 36, rang 20, à l'ouest du méridien principal, en remplacement de ladite section 11 ;

Sous l'empire du paragraphe 2 de l'article 39 de la *Loi des terres fédérales*, le Gouverneur en conseil peut autoriser le ministre à mettre à part à titre de réserve affectée aux sauvages des terres qui, aux termes de la présente loi, sont des terres des écoles, ou des terres qui, par l'arpentage, deviendront des terres des écoles, mais pas avant que d'autres terres fédérales, de valeur égale autant que possible, aient été choisies à leur place; et lorsque d'autres terres fédérales auront été ainsi choisies et auront été désignées comme "terres des écoles" par le ministre, elles seront de ce moment et deviendront terres des écoles, et il en sera disposé de la même manière qu'il est disposé des terres des écoles ordinaires sous le régime des dispositions de la présente loi,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil d'autoriser par les présentes le transfert à la réserve des sauvages de Pine River de la section 11, township 36, rang 20, à l'ouest du méridien principal, et la mise en réserve comme terres des écoles de la section 9, township 36, rang 20, à l'est du méridien principal, cette section ayant été déclarée vacante et disponible pour le transfert.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

IL plaît à Son Excellence le Gouverneur général en Conseil, à la recommandation du ministre de l'Intérieur, d'autoriser par les présentes l'émission de permis de pâturage sur les terres disponibles des townships 15, 16 et 17, rang 3, et du township 15, rang 4, à l'ouest du 3e méridien, dans la province de Saskatchewan, ainsi que des townships 20, 21 et 22, rang 3, à l'ouest du 4e méridien, dans la province d'Alberta, lesquelles ont été réservées pour fins de stations de remonte, aux conditions suivantes :—

(1) Seuls peuvent obtenir des permis les sujets britanniques et les compagnies constituées en corporation sous l'empire des lois du Canada ou des lois d'une province quelconque du Canada, et dont le président, le vice-président et une majorité des directeurs sont sujets britanniques et qui ne sont aucunement sous le contrôle d'étrangers ou d'une ou de plusieurs corporations étrangères.

(2) L'étendue maximum pouvant être obtenue sous permis par un individu ou une compagnie ne dépassera pas 12,000 acres.

(3) Le loyer sera au taux de 4 cents l'acre par année payable d'avance.

(4) Toute demande de permis sera faite à l'agent des terres fédérales du district où sont situés les terrains demandés et devra inclure le montant du loyer des premiers six mois

(5) L'agent transmettra les demandes au Département, qui, après avoir fait afficher des avis par le requérant sur les terrains demandés et en avoir fait faire l'inspection, décidera si le permis doit être accordé.

(6) Avant que le permis soit accordé, le requérant affichera pendant trente jours des avis de sa demande dans au moins quatre endroits bien en vue sur les terrains faisant l'objet de la demande, ainsi que dans les bureaux de poste les plus rapprochés, et fera une déclaration statutaire à cet effet.

(7) Dans les six mois qui suivront immédiatement la date de son permis, le concessionnaire mettra, sur le terrain faisant l'objet de son permis, au moins une tête de bétail ou un cheval d'un an au moins, ou cinq moutons, dont il sera propriétaire, par chaque trente acres de terrain.

(8) Le concessionnaire maintiendra sur le terrain le nombre requis de têtes de bétail et fera une déclaration statutaire indiquant le nombre de bestiaux qu'il a sur le terrain au 1er juillet de chaque année ou à toute autre date, ainsi que pourra l'exiger le département.

(9) Tout tel permis expirera le 31 décembre suivant la date de tel permis.

(10) L'obtention d'un permis ne donnera pas au porteur de tel permis le droit d'en obtenir le renouvellement, mais le ministre peut, à sa discrétion, accorder des renouvellements d'année en année ; le porteur de tel permis aura alors priorité de droit au renouvellement, mais demande de tel renouvellement doit être faite au département pas plus tard que le 1er décembre précédant l'expiration de tels permis et doit inclure le montant du loyer pour l'année suivante.

(11) Nuls bâtiments ne seront érigés sur le terrain objet du permis sauf les constructions temporaires nécessaires pour abriter le bétail.

(12) Si, lorsque le permis expire, le concessionnaire néglige d'en obtenir le renouvellement, il aura droit d'emporter, dans un temps raisonnable à être fixé par le ministre de l'Intérieur, toutes constructions temporaires ou clôtures qu'il aurait pu y ériger, mais il n'aura droit à aucune compensation.

(13) Le concessionnaire aura cependant droit au foin qui se trouve sur le terrain et qui est nécessaire pour l'entretien de son bétail, mais il ne pourra le vendre ni l'échanger.

(14) Si un concessionnaire désire garder des moutons en pâturage, il devra entourer le pâturage d'une clôture que les moutons ne peuvent franchir.

(15) Un concessionnaire ne peut disposer de son permis sans le consentement du ministre de l'Intérieur.

(16) Tout permis est sujet à annulation sommaire si le concessionnaire néglige de se conformer à une prescription quelconque des présents règlements ou s'il fait de fausses représentations relativement à des faits d'importance.

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur représentant qu'à M. Geo. Jones a été accordée une inscription de préemption, le 7 août 1912, pour le quart sud-ouest de la section 13, township 6, rang 7, à l'ouest du 3e méridien, dans la province de la Saskatchewan. M. Jones a demandé la patente de ce terrain le 18 décembre 1918, et d'après certaines dépositions il paraîtrait que l'inscrit n'aurait pas fait de résidence sur son terrain préempté ou son homestead ainsi que requis par la *Loi des terres fédérales*, mais qu'il a résidé du 27 décembre 1912 jusqu'à la date de telle demande sur le terrain de son père, soit le quart nord-est de la section 28, township 5, rang 7, à l'ouest du 3e méridien, dans les limites des neuf milles statutaires de son propre terrain. Mr. Jones a accompli les obligations de résidence requises en rapport avec le terrain, objet de son inscription de homestead et de préemption. Son médecin déclare, dans un certificat médical du 17 décembre 1918, qu'il est impossible à l'inscrit de se remettre aux travaux de la ferme vu qu'il est devenu bossu (infection tuberculeuse), et a dû demeurer avec son père et sa mère sur leur homestead lorsqu'il a établi ses droits au homestead et à la préemption.

Vu la déclaration contenue dans le certificat médical qui a été soumis, le ministre recommande que M. Jones soit en ce cas relevé de toute obligation de résidence à l'avenir en vertu du paragraphe 2 de l'article 20 de la *Loi des terres fédérales*, et que patente gratuite lui soit délivrée sur preuve fournie de la manière ordinaire que les autres obligations ont été remplies et que le prix total du terrain a été payé.

Le comité agrée cette recommandation et la soumet pour approbation.

AU comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 21e jour de février 1919, représentant que le claim minier "Salt of the Earth", situé sur les lots 11 et 12 de l'établissement McKay, sur la rivière Athabaska, jalonné par Alfred Von Hammerstein en 1909, sous le regime des règlements des mines de quartz, a été arpenté par A. J. Tremblay, arpenteur des terres fédérales, mais que cet arpentage n'a pu être approuvé parce que le terrain en question excède de 105 pieds le maximum de 1,500 pieds fixé par le paragraphe 12 des règlements et aussi parce que l'arpentage n'a pas été fait d'après la ligne de location ainsi que requis par l'article 18 des règlements. Le claim a été vendu à mademoiselle Helen Burrell, qui dit qu'il appartient à son frère, le major Burrell, M.C., qui a été plusieurs années au front et y a été blessé. Mademoiselle Burrell représente que l'arpentage ne peut être corrigé par l'arpenteur Tremblay, qui a été tué au front, et que ce claim est si éloigné que le coût d'un nouvel arpentage serait excessif.

Le ministre recommande, vu que l'excédent de dimensions du claim est minime et que les lots 11 et 12 où le claim minier se trouve situé sont inoccupés et que personne autre ne les réclame, que l'arpentage fait par A. J. Tremblay du claim minier "Salt of the Earth" soit approuvé.

Le comité agrée cette recommandation et la soumet pour approbation.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que le Ministre de l'Intérieur fait rapport comme suit:

Que l'article 29 des règlements régissant l'extraction du pétrole et du gaz naturel, approuvés par un arrêté en conseil daté le 19 janvier 1914 (C.P. 154), ainsi que modifiés par des arrêtés en conseil subséquents, prescrit que le locataire prendra en tout temps des précautions raisonnables pour empêcher l'accès nuisible de l'eau aux gisements pétrolifères; que si du gaz naturel est découvert, il prendra toutes les précautions raisonnables et nécessaires pour empêcher la perte de ce gaz; que si les travaux sur la concession revèlent la présence d'eau salée, il devra immédiatement et efficacement, à la satisfaction du ministre, obturer le puits à une profondeur suffisante pour empêcher cette eau d'avoir accès au gisement pétrolifère; que le ministre peut de temps à autre établir les règlements additionnels qui lui semblent nécessaires ou opportuns au sujet de la direction des travaux de forage et de l'exploitation des puits; et que si le locataire ne se conforme pas aux stipulations ci-dessus ou aux autres obligations que le ministre peut juger nécessaire d'imposer en ce qui concerne les travaux de forage et d'exploitation, le bail peut être annulé à la discrétion du ministre;

Et attendu que le Ministre de l'Intérieur fait de plus rapport que l'annulation du bail pourrait dans certains cas ne pas être considérée une peine suffisante pour défaut de se conformer aux obligations ci-dessus prescrites,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil de faire et décréter les règlements additionnels suivants, qui sont par les présentes faits et décrétés en conséquence.

Au cas où du gaz naturel est découvert au moyen de travaux de forage exécutés sur un terrain loué pour l'extraction du pétrole et du gaz naturel sous le régime des dispositions des règlements, ou au cas où l'eau ferait irruption au cours de ces travaux, si la fuite du gaz n'est pas arrêtée ou si le flux de l'eau n'est pas contrôle, le ministre peut prendre tels moyens efficaces qu'il juge nécessaires ou opportuns dans l'intérêt public pour arrêter et empêcher la fuite du gaz naturel ou pour obturer le puits à telle profondeur qui puisse empêcher l'eau d'avoir accès à un gisement pétrolifère quelconque, ou l'un et l'autre, ou pour empêcher l'eau d'avoir accès à ce puits ou de s'en échapper, et pour recouvrer du locataire du terrain où le puits a été foré tous les frais encourus par la Couronne en arrêtant la fuite du gaz naturel ou l'accès d'eau au puits ou son écoulement du puits, ou en obturant le puits à une profondeur qui puisse empêcher cette eau d'avoir accès aux gisements pétrolifères. Pour appliquer ces mesures de refluement du gaz et de l'eau le ministre peut nommer tel agent ou tels agents qu'il peut juger nécessaire, et il peut autoriser tel agent ou tels agents à se rendre sur les lieux et à faire les travaux nécessaires et, à cette fin, à prendre possession et se servir des instruments de forage, de la chèvre, des outils, machines ou autres appareils ou outillage nécessaires pour l'exécution du travail et qui peuvent se trouver sur les lieux ou être la propriété du locataire.

Avant de commencer les travaux de forage sur une concession acquise sous le régime des dispositions des règlements, le locataire notifiera le ministre par écrit de son intention de commencer ces travaux, ainsi que de la date approximative, cet avis devant contenir les détails suivants :

1. L'endroit particulier de la concession où les travaux doivent être exécutés.
2. Le numéro ou autre désignation sous lequel ou laquelle le puits sera connu, ce numéro ou cette désignation ne devant pas être changé sans le consentement du ministre.
3. Les dimensions et le poids du tubage qui sera employé.
4. La description de l'outillage qui servira pour le forage.
5. Le nom et l'adresse postale de la personne en charge des travaux.

Le refus ou la négligence du locataire d'ainsi notifier le ministre de son intention de commencer les travaux de forage ou de fournir les renseignements exigés rend le bail sujet à annulation, de même que tout bail ou tous baux avec lequel ou lesquels ce premier bail peut être groupé sous le régime des règlements.

Au cas où le locataire désire abandonner un puits creusé sur une concession acquise sous le régime des règlements, il devra, avant d'abandonner le puits, et avant d'enlever l'outillage de forage, la chèvre ou autres appareils, et avant d'enlever une partie quelconque du tubage du puits, notifier le ministre par écrit de son intention de le faire, et prendre tous les moyens conformes aux méthodes approuvées pour empêcher l'eau d'avoir accès aux gisements pétrolifères qui peuvent avoir été découverts. Avant de commencer à enlever le tubage, l'outillage de forage, la chèvre ou les autres appareils, le locataire en obtiendra la permission écrite du ministre ou de tel fonctionnaire que le ministre peut désigner à cette fin. En même temps que sa demande d'abandonner le puits, le locataire doit remettre un plan du puits, s'il ne l'a déjà fait, et faire une déclaration contenant les détails suivants :

1. La date approximative de l'abandon projeté ou la date où commencera l'enlèvement de l'outillage.
2. La quantité et la dimension du tubage dans le puits.
3. La quantité et la dimension du tubage qu'on se propose d'enlever.
4. La profondeur où l'eau a fait irruption.
5. De quelle manière l'irruption de l'eau a été ou sera effectivement arrêtée.
6. La profondeur où le gaz naturel a été découvert.
7. Si du fait d'abandonner le puits il y aura perte ou fuite de gaz.

Le refus ou la négligence du locataire de se conformer en tous points à ce règlement rend le bail sujet à annulation, de même que tout bail ou tous baux avec lequel ou lesquels ce premier bail peut être groupé sous le régime des règlements.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, en vertu des dispositions de la *Loi des réserves forestières et des parcs*, de modifier par les présentes les articles 64 et 65 des règlements pour l'administration des parcs fédéraux, ainsi qu'approuvés par un arrêté de Son Excellence en conseil du 21 juin 1909, en ajoutant le paragraphe suivant à l'article 64 :

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 20 février 1919, représentant qu'une enquête faite par les ingénieurs du département de l'Intérieur a révélé qu'il serait possible de développer une source d'énergie hydraulique à Meadow-Portage, entre les lacs Winnipegosis et Manitoba, dans la province de Manitoba, et que tel développement exigerait la construction d'un canal traversant certaines terres fédérales.

L'emplacement approximatif de ce canal ayant été déterminé, des mesures ont été prises pour mettre en réserve les terrains nécessaires, sur quelques-uns desquels, toutefois, l'inscription de homestead a déjà été accordée, parmi ces terrains étant le quart sud-ouest de la section 1, township 31, rang 16, à l'ouest du méridien principal, pour lequel le 16 janvier 1913 s'est inscrit Thomas A. Matthison, qui s'est subséquemment enrôlé dans les forces d'outre-mer et qui est depuis revenu.

Après une inspection par un fonctionnaire du département qui a fait rapport qu'est juste et raisonnable l'arrangement qui suit et que M. Matthison en est satisfait, le ministre recommande qu'en vue de soustraire à l'inscription lesdites subdivisions 3 et 4 de la section 1, conformément aux dispositions du paragraphe 6 de l'article 15 de la *Loi des terres fédérales*, ainsi que réédictées de nouveau par l'article 1, du chapitre 11 des statuts de 1909, le ministre soit autorisé à concéder à ce colon les subdivisions légales 7 et 8 de la même section et de lui payer six cents dollars à même le crédit pour le développement de l'énergie hydraulique au cours de l'année fiscale courante afin de le dédommager des frais d'enlèvement de ses bâtiments desdites subdivisions 3 et 4 et du défrichement qu'il a fait sur lesdites subdivisions, et aussi en considération du fait que le terrain qui doit être concédé a moins de valeur que celui qui doit être soustrait du homestead.

Le comité agrée cette recommandation et la soumet pour approbation.

> “ senter à l'agent annulera l'inscription sans avis

Dans le cas d'hommes qui ont servi dans les forces militaires ou navales de la Grande-Bretagne ou d'un des alliés de la Grande-Bretagne au cours de la guerre européenne et qui obtenu l'inscription de homestead par procuration après avoir été licenciés du service militaire, il peut se présenter des circonstances exceptionnelles telles que l'invalidité partielle ou la nécessité de s'instruire en agriculture qui justifieraient certaine tolérance en ce qui concerne la date où l'inscrit doit commencer l'accomplissement de ses obligations,—

Par conséquent, il plaît à Son Excellence le Gouverneur en conseil, en vue de ce qui précède, de faire le règlement suivant, qui est par les présentes fait et décrété en conséquence :

Règlement.

Dans tous les cas où une inscription de homestead par procuration est obtenue pour une personne qui a servi dans les forces militaires ou navales de la Grande-Bretagne, ou d'un des alliés de la Grande-Bretagne dans la guerre européenne, les dispositions du dernier paragraphe de l'arrêté en conseil du 26 août 1908 ne s'appliqueront pas, mais pour commencer la résidence sur le terrain il pourra être accordé tel délai que le ministre jugera raisonnable dans les circonstances.

HOTEL DU GOUVERNEMENT A OTTAWA.

Vendredi, le 7e jour de mars 1919.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que sous l'empire de la *Loi des subsides n° 2, 1918*, le Gouverneur en conseil a avancé la somme de $7,471,399.93, ou environ, à la Compagnie de chemin de fer Grand-Tronc-Pacifique pour certaines fins déterminées dans ladite loi, y compris la somme nécessaire pour combler le déficit dans l'exploitation du réseau du Grand-Tronc-Pacifique, cette somme étant ajoutée à d'autres sommes considérables déjà avancées après autorisation antérieure pour des fins semblables;

Et attendu qu'une lettre datée le 4 mars 1919, du vice-président de ladite compagnie, a été reçue par le ministre des Finances, savoir :

“ Je suis chargé d'aviser le Gouvernement qu'en vue du fait que l'augmentation des taux applicables au Grand-Tronc-Pacifique n'a pas été suffisante pour faire face à l'augmentation des frais d'exploitation, il sera impossible à la compagnie de continuer son exploitation lorsque les fonds actuels seront épuisés, ce qui sera vers le dix du mois courant. Je vous prie de bien vouloir accuser réception de cette lettre.”

Et attendu que si le service du réseau du Grand-Tronc-Pacifique était interrompu, il en résulterait un sérieux inconvénient pour le public et que l'intention du Parlement en autorisant lesdites avances ne serait pas réalisée ;

Et attendu que l'exploitation ininterrompue dudit réseau est essentielle dans les conditions actuelles au Canada résultant de la guerre, à laquelle la paix n'a pas encore mis fin, particulièrement en ce qui concerne le rapatriement des troupes canadiennes et le transport des approvisionnements, du matériel et du fret, ainsi que les autres services exigés par la guerre;

Et attendu que pour la protection de l'intérêt public et pour les fins ci-dessus mentionnées, il est essentiel que l'exploitation dudit système se continue sans interruption ;

Et attendu que le devoir de continuer ce service incombe au Gouvernement du Canada, vu le fait que les lois actuellement en vigueur ne contiennent pas de dispositions efficaces en vertu desquelles la continuation de ce service pourrait être autrement assurée;

Et attendu qu'il est impérieux que le Gouvernement prenne une initiative immédiate,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, sous l'empire de la *Loi des mesures de guerre de 1914* et en vertu de tous autres pouvoirs à cet effet, de décréter par les présentes ce qui suit :

1. Dans le présent arrêté, à moins que le contexte n'exige une interprétation différente :

(*a*) “Réseau du Grand-Tronc-Pacifique” signifie et comprend (1) les lignes de chemin de fer et leur matériel, ainsi que l'exploitation et l'outillage de la Compagnie de chemin de fer Grand-Tronc-Pacifique, de la Compagnie des embranchements du Grand-Tronc-Pacifique et de la Compagnie Grand-Tronc-Pacifique de la Saskatchewan ; (2) les lignes de télégraphe et leur matériel, ainsi que l'exploitation et l'outillage de la Compagnie de télégraphe Grand-Tronc-Pacifique ; (3) les navires à vapeur, vaisseaux et leur matériel, ainsi que l'exploitation et l'outillage de la Compagnie de navigation du Grand-Tronc-Pacifique ; (4) les propriétés, hôtels et dépendances, ainsi que l'exploitation et l'outillage de la Compagnie de développement du Grand-Tronc-Pacifique.

(*b*) “ Fonctionnaires ” signifie et comprend les directeurs, le président, les vice-présidents, gérants, secrétaire, trésorier, commis, serviteurs et employés.

(*c*) “ Livres et papiers ” signifie et comprend les livres de comptabilité ou les registres se rapportant à l'entreprise, l'exploitation ou l'entretien desdites lignes de chemin de fer ou de télégraphe ou de navigation, aux hôtels, propriétés ou usines, ou à un ou une partie de ces services, ainsi que les archives, papiers et documents se rapportant à telle entreprise, exploitation ou entretien, ou à une partie quelconque de ces derniers.

(*d*) Cour de “l'Echiquier” signifie la Cour de l'Echiquier du Canada.

(*e*) Le singulier comprend le pluriel, et le pluriel le singulier; le masculin comprend le féminin, et le féminin le masculin.

(*f*) “ Personne ” comprend corporation.

(*g*) “ Séquestre du gouvernement ” signifie le séquestre par le présent arrêté.

2. Le ministre des Chemins de fer et Canaux est par les présentes nommé séquestre du réseau du Grand-Tronc-Pacifique, et ce séquestre aura et exercera en ce qui concerne ledit réseau, ainsi que toute partie de ce réseau et les compagnies qu'il comprend les mêmes pouvoirs et devoirs qu'un séquestre sous le régime de l'article 26 de la *Loi de la cour de l'Echiquer.*

3. A la demande du séquestre du gouvernement, la cour de l'Echiquier du Canada peut faire telles ordonnances qu'elle juge nécessaires ou opportunes dans l'intérêt public en ce qui concerne ce séquestre et ses pouvoirs et devoirs et leur exécution, y compris l'émission de certificats de séquestres.

4. Les paragraphes 5 et 6 de l'article 26 de ladite loi s'appliqueront au séquestre du gouvernement et au réseau du Grand-Tronc-Pacifique et à toute partie de ce réseau et aux compagnies qui y sont comprises, sauf qu'aucune rémunération pour le séquestre ne sera fixée par la cour.

5. Le séquestre du gouvernement peut, le ou après le 10e jour de mars 1919, ou à telle date antérieure où la Compagnie de chemin de fer Grand-Tronc-Pacifique, ou toute compagnie comprise dans le réseau du Grand-Tronc-Pacifique cessera d'exploiter efficacement son entreprise ou partie de son entreprise, prendre possession de telle entreprise et de l'outillage, et la cour de l'Echiquier peut de temps à autre faire et exécuter telles ordonnances pour venir en aide au séquestre du gouvernement dans la prise de possession ou autrement que la cour peut juger opportunes pour la mise en vigueur des dispositions du présent arrêté conformément à son véritable esprit et sa juste signification.

6. Chaque compagnie comprise dans le réseau du Grand-Tronc-Pacifique et ses fonctionnaires faciliteront l'exécution des pouvoirs et devoirs du séquestre du Gouvernement, et tous les livres et papiers, les propriétés mobilières ou immobilières de chacune de ces compagnies, en sa possession ou sous son contrôle ou sous le contrôle de ses fonctionnaires ou de l'un d'eux, seront sans délai remis audit séquestre ou ses mandataires ou placés sous son contrôle de la manière que le séquestre pourra l'ordonner.

7. Tout fonctionnaire d'un compagnie comprise dans le réseau du Grand-Tronc-Pacifique qui entrave le séquestre du gouvernement dans l'exécution de ses pouvoirs et devoirs, ou qui ne remet pas à lui ou à ses mandataires, ou ne place pas sous son contrôle tout livre ou papier, propriété mobilière ou immobilière, conformément aux dispositions qui précèdent, est passible pour chaque infraction desdites dispositions d'une amende du montant ci-dessous prescrit, savoir : dans le cas d'un président, un vice-président ou un directeur, la somme de dix mille dollars ($10,000) ; dans le cas d'un gérant ayant la même autorité ou semblable autorité qu'un gérant général ou quelqu'un qui remplace ou aide un gérant général, la somme de cinq mille dollars ($5,000) ; dans le cas d'un secrétaire ou d'un trésorier, ou de quelqu'un qui remplace ou assiste un secrétaire ou trésorier, la somme de deux mille cinq cents dollars ($2,500) ; dans le cas d'un commis, serviteur ou employé, la somme de mille dollars ($1,000).

8. Toute amende encourue sous l'empire des dispositions qui précèdent peut être réclamée et recouvrée, avec les frais, devant la cour de l'Echiquier, par poursuite ou procédures instituées devant cette cour par le Procureur général du Canada.

9. Rien de ce qui est contenu dans le présent arrêté et rien de ce qui est fait ou doit être fait sous l'empire du présent arrêté, ne rendra le Gouvernement du Canada ou le séquestre du gouvernement, ou quiconque agit sous l'autorité du séquestre du gouvernement ou de la cour de l'Echiquier, responsable à la Compagnie de chemin de fer Grand-Tronc du Canada, ou à une compagnie comprise dans le réseau du Grand-Tronc-Pacifique, ou à un créancier ou porteur d'obligations, débentures, actions-débentures ou autres valeurs desdites compagnies, ou de l'une d'elles, pour toute réclamation résultant de l'adoption du présent arrêté ou de quoi que ce soit qui est fait ou doit être fait sous l'empire du présent arrêté ou sous l'autorité du séquestre du gouvernement ou de la cour de l'Echiquier, ni ne justifiera opposition ni portera préjudice à une réclamation, action ou poursuite quelconque du Gouvernement du Canada que ce gouvernement pourrait légalement faire ou intenter si le présent arrêté n'avait pas été fait.

10. Tous les fonctionnaires (sauf le bureau des directeurs) d'une compagnie quelconque comprise dans le réseau du Grand-Tronc-Pacifique, continueront à exercer pour le séquestre du gouvernement, jusqu'à nouvel ordre ou autres instructions de lui, les devoirs semblables à leurs devoirs actuels, en rapport avec l'exploitation et l'administration des entreprises et travaux de toute compagnie comprise dans le réseau du Grand-Tronc-Pacifique, de manière à ce qu'il n'y ait aucune interruption dans l'exploitation et l'administration de ce réseau.

11. Rien de ce qui est fait ou contenu dans les présentes ou qui doit être fait sous l'empire des présentes ne préjudiciera l'exercice par la cour de l'Echiquier, ou par une cour quelconque d'une province du Canada, de sa juridiction actuelle sous le régime de la *Loi de la cour de l'Echiquier*, ou sous le régime de toute autre loi ou juridiction, en ce qu'il s'agit de nommer un séquestre ou d'ordonner ou décréter une vente ou forclusion d'un chemin de fer quelconque, ou d'une partie de tel chemin ou de toute autre propriété affectée par le présent arrêté ; toutefois, avant que telle vente ou forclusion soit ordonnée ou décrétée, ou qu'un séquestre soit nommé par telle cour, avis de la demande sera donné au ministre des Chemins de fer et Canaux du Canada, et celui-ci ou un avocat pour lui déposera au sujet de la demande ; et la cour en accordant ou refusant ou remettant à plus tard la demande prendra en considération les intérêts publics en jeu et fera telle ordonnance qu'elle jugera nécessaire pour protéger ces intérêts.

12. Le ministre des Chemins de fer et Canaux mentionné dans le présent arrêté signifie le ministre actuel, et, s'il survient une vacance, son successeur deviendra le séquestre du gouvernement. Les pouvoirs et devoirs du séquestre du gouvernement peuvent être exercés par tel membre du gouvernement qui peut de temps à autre être le ministre suppléant des Chemins de fer et Canaux.

13. Si le séquestre du gouvernement est convaincu qu'un livre ou papier quelconque est ou a été employé pour les fins de l'exploitation de la compagnie de chemin de fer Grand-Tronc du Canada, aussi bien que de l'exploitation de toute compagnie comprise dans le réseau du Grand-Tronc-Pacifique, et que pour telles raisons ce livre ou papier n'est pas remis au séquestre ou placé sous son contrôle exclusif, le séquestre du gouvernement peut, à telles conditions qu'il peut juger nécessaires, permettre que l'usage conjoint de ce livre ou papier soit continué. Le séquestre du gouvernement peut ouvrir tous livres et comptes qu'il juge nécessaires pour séparer et transférer de tel livre ou papier, conjointement employé, les comptes et inscriptions se rapportant à une des compagnies comprises dans le réseau du Grand-Tronc-Pacifique, et peut ainsi les séparer et transférer. Ledit séquestre tiendra compte de ses recettes, dépenses et déboursés en rapport avec chacune des compagnies comprises dans ledit réseau et en rapport avec leurs opérations, entreprises et propriétés, ou partie de ces dernières, de manière qu'une puisse être distinguée d'une autre et que les intérêts des divers intéressés soient déterminés.

14. Le Gouverneur en conseil peut de temps à autre, sur un ordre de la cour de l'Echiquier et sur la garantie de certificats de séquestres, ou autrement, avancer au séquestre du gouvernement telles sommes qui peuvent être requises pour lui permettre d'exercer ses pouvoirs et d'accomplir ses devoirs de séquestre ; les sommes ainsi avancées seront payées à même les sommes non appropriées dans le Fonds du Revenu Consolidé du Canada.

15. Nul transfert ne sera fait des actions du capital-actions d'une compagnie quelconque comprise dans le réseau du Grand-Tronc-Pacifique après la nomination du séquestre du gouvernement, et nul tel transfert ne sera inscrit dans un registre ou livre de transfert quelconque. Tout transfert contraire à la présente prescription sera nul et de nul effet ; toutefois, le séquestre du gouvernement, à la demande de la personne intéressée, ou de son propre chef, peut permettre qu'un transfert soit fait ou complété.

Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre, si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée «partie défenderesse.»

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables on été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante jours premiers de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicil conjugale, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat, aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse, et donner dans cet avis au greffier du Sénat:

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat, doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré dans la *Gazette du Canada;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada,* l doit en être publié un semblable, comme il suit:

A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal,* —dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une *compagnie de télégraphe ou de téléphone,* —dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une *compagnie pour la confection de travaux quelconques,* dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une *compagnie de banque; une compagnie d'assurance;* une *compagnie de crédit;* une *compagnie de prêt;* ou une *compagnie industrielle,* sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les requérants devront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis,* que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de prolonger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs), d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit dans la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: *"Avis de bill privé";* ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes, mentionner en même temps et de la même manière les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toutes personne qui voudra obtenir un bill privé, si elle se propose de la présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 60 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

A. E. BLOUNT,
Greffier du Sénat.

CHAMBRE DES COMMUNES.

RÉGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, mais tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instructions aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôts de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenue de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la Chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents dollars.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir:

(*a*) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill, pour chaque suspension..........	100 00
(*b*) Lorsqu'un bill est présenté dans la Chambre après la huitième semaine de la session et avant la fin de la douzième............	100 00
(*c*) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session............	200 00
(*d*) Lorsque le capital social projeté d'une compagnie dépasse $250,000, et n'excède pas $500,000...........	100 00
(*e*) Lorsque le capital social projeté d'une compagnie dépasse $500,000, et n'excède pas $750,000...........	150 00
(*f*) Lorsque le capital social projeté d'une compagnie dépasse $750,000, et n'excède pas $1,000,000..........	200 00
(*g*) Lorsque le capital social projeté d'une compagnie dépasse $1,000,000, et n'excède pas $1,500,000..........	300 00
(*h*) Lorsque le capital social projeté d'une compagnie dépasse $1,500,000, et n'excède pas $2,000,000..........	400 00
(*i*) Pour chaque million ou fraction de million de dollars additionnels....	100 00

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, e droit additionnel est de $300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans les cas où un bill accôrde le pouvoir d'augmenter à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, tel qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire, imposée sous l'empire des alinéas *b* ou *c* de l'article 3, ne sera pas exigée.

W. B. NORTHRUP,
Greffier des Communes.

ORDERS IN COUNCIL.

[568]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, 15th March, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 6th March, 1919, from the Minister of the Interior, stating that at an auction sale of school lands held at Big Valley on the 4th June, 1918, Mr. George W. May, of Elnora, Alberta, purchased the north west ¼ of Section 11, Township 35, Range 22, west of the 4th Meridian, at the rate of $15 per acre;

He afterwards notified Mr. Frank A. Collins, Superintendent of School Lands at Winnipeg, that he purchased this quarter-section in error, believing that he was buying the north east ¼ of the same section, and, therefore, requested that the Department exchange the north west ¼ for the north east ¼ and allow him entry therefor,—

The upset price on the north east ¼ was the same as that on the north west ¼, namely $15 per acre, and as the north west ¼ was sold at the upset price and the north east ¼ not disposed of at the sale, the Minister recommends that the request for an exchange by Mr. George W. May be granted, and that he be authorized to allow Mr. May the privilege of taking the north east ¼ of Section 11, Township 26, Range 22, west of the 4th Meridian as a school lands sale in lieu of the north west ¼ of the same section.

The committee concur in the foregoing recommendation, and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 17th day of March, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a Report, dated 28th February, 1918, from the Minister of the Interior, submitting that Mr. Claude Robinet was granted letters patent for the N. E. ¼ of Section sixteen (16), Township ten (10), Range twenty-six (26), west of the 3rd Meridian, dated the 17th November, 1917, he having completed the performance of his homestead duties thereon. This quarter section is included among the lands selected for an Antelope Reserve.

The Minister observes that by an Order in Council dated 28th March, 1916, authority was granted for an exchange with the settlers located within the area selected for an Antelope Reserve whereby they were to be given an equal area of land in the Cancelled Stock Watering Reserve in Township twenty-two (22), Range twenty-eight (28), west of the 3rd Meridian or any other available Dominion lands in exchange for their present holdings. In addition they were allowed to remove their improvements. Mr. Robinet being a reservist was serving with the French Army when these exchanges were being made.

That Mr. Robinet has selected the S. ½ of Section thirty-six (36), Township twenty two (22), Range twenty-eight (28), west of the 3rd Meridian, which constituted a portion of the Cancelled Stock Watering Reserve and which according to the Homestead Inspector's report contains about one hundred and ninety-five (195) acres of workable land and some rough land, and has offered to transfer to the Crown the N.E. ¼ of Section sixteen (16), Township ten (10), Range twenty-six (26), west of the 3rd Meridian, together with all improvements thereon, which improvements according to the Homestead Inspector's valuation are worth $1,420, in exchange for the above S. ½ of Section thirty-six (36), Township twenty-two (22), Range twenty-eight (28), west of the 3rd Meridian. Owing to their location it would be difficult to move these improvements without considerable loss and same will be of value to the Department of the Interior when this area is established a Dominion Park.

The Minister, therefore, recommends that pursuant to The Dominion Lands Act, he be authorized to issue Letters Patent to Mr. Claude Robinet for the S. ½ of Section thirty-six (36), Township twenty-two (22), Range twenty-eight (28), West of the 3rd Meridian, upon Mr. Robinet transferring to the Crown a clear title to the N.E. ¼ of Section (16), Township ten (10), Range twenty-six (26), west of the 3rd Meridian with all improvements thereon.

The Commission concur in the foregoing and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 15th day of March, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Minister of the Interior reports that an application has been received to reserve, for shooting purposes, the whole of section 13, Township 14, Range 6, west of the Principal Meridian, in the Province of Manitoba, containing 644 acres, and which is undisposed of according to the records of the Department of the Interior;

And whereas the lands in this Township, which borders on Lake Manitoba, are shown upon the official plan of survey as being to a large extent covered with marshes and spaces of open water and a portion of the above-mentioned section which was recently inspected by an officer of the Department is reported as being all muskeg, at present of no agricultural value and worth $3.00 an acre;

And whereas having in view the situation and nature of the land referred to and the fact that it is of no agricultural value the Minister is of the opinion that the application should receive favourable consideration,—

Therefore His Excellency the Governor General in Council, under and in virtue of the provisions of section 76 of The Dominion Lands Act, is pleased to withdraw the said Section 13, Township 14, Range 6, west of the Principal Meridian containing 644 acres, from settlement accordingly, and to set apart and appropriate the same during pleasure for the use of the public generally as a Shooting Preserve, the control and administration thereof to remain as formerly in the Department of the Interior.

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Minister of the Interior reports :—

That section 29 of the petroleum and natural gas regulations, approved by Order in Council dated the 19th of January, 1914 (P.C. 154), as amended by subsequent Orders in Council, provides that the lessee shall at all times take reasonable measures to prevent the injurious access of water to the oil-bearing formation ; that should natural gas be discovered he shall take all reasonable and proper precautions to prevent the waste of such gas ; that should salt water be encountered through operations on the location, the lessee shall immediately and effectively, to the satisfaction of the Minister, close the well at such depth as may prevent such water from gaining access to the oil-bearing formation ; that the Minister may from time to time make such additional regulations as may appear to be necessary or expedient covering the manner in which boring operations shall be conducted, and the manner in which wells shall be operated ; and that failure on the part of the lessee to comply with the above requirements, or to comply with such requirements as the Minister may consider it necessary to impose in respect of boring and operating, will render the lease subject to cancellation in the discretion of the Minister ;

And whereas the Minister further reports that cancellation of the lease might not in some cases be regarded as a sufficient penalty for failure to comply with the requirements above set out,—

Therefore, His Excellency the Governor General in Council, is pleased to make and enact the following additional regulations, and the same are hereby made and enacted accordingly :—

In the event of natural gas being discovered through boring operations conducted on a petroleum and natural gas location acquired under the provisions of the regulations, or in the event of water being encountered through such operations, if the escape of such gas is not prevented, or if the flow of such water is not controlled, the Minister may take such effective means as may appear to him to be necessary or expedient in the public interest to control and prevent the escape of the natural gas, or to close the well at such depth as may prevent the water from gaining access to any oil-bearing formation, or both, or to prevent water from gaining access to or escaping from such well, and to recover from the lessee of the location upon which the well was bored all costs and expenses incurred by the Crown in stopping the escape of natural gas, or the ingress or egress of water to or from the well, or in closing the well at such a depth as may prevent such water from gaining access to such oil-bearing formations. In taking such means for the control of the gas or water, the Minister may appoint such agent or agents as he may deem necessary, and may authorize such agent or agents to enter upon the premises and perform the work, and for that purpose to take possession of and use any drilling rig, derrick, tools, machinery, or other appliances or equipment necessary for the performance of the work, which may be upon the location, or which may be the property of the lessee.

The lessee shall, before commencing boring operations on a location acquired under the provisions of the regulations, notify the Minister in writing of his intention to commence such operations, and the approximate date, and such notification shall contain the following information :—

1. The particular point on the location at which operations are to be conducted ;
2. The number or other designation by which the well shall be known, which number or designation shall not be changed without the consent of the Minister ;
3. The size and weight of casing to be used ;
4. The kind of drilling rig to be employed ;
5. The name and post office address of the person in charge of such operations.

Failure or neglect on the part of the lessee to so notify the Minister of his intention to commence boring operations, or to furnish the information provided for, shall render the lease liable to cancellation, as well as any lease or leases with which the same may be grouped under the regulations.

In case the lessee desire to abandon a well bored on a location acquired under the regulations, he shall before abandoning the same and before removing the rig, derrick or other operating structure therefrom, and before removing any part of the casing from the well, notify the Minister in writing of his intention so to do, and use every effort in accordance with approved methods to shut off and exclude all water from entering the oil-bearing strata which may have been encountered in the well. Before commencing the removal of the casing, rig, derrick, or other operating structure, the lessee shall obtain written permission to do so from the Minister, or from such officer as the Minister may designate for that purpose. The lessee shall, when making application to abandon, furnish a plan of the log of the well—if he has not already done so—and submit a declaration containing the following information :—

1. The approximate date upon which the proposed abandonment or removal shall begin ;
2. The quantity and size of casing in the well ;
3. The quantity and size of casing proposed to be removed ;
4. The depth at which water was encountered ;
5. The manner in which water has been or will be effectively shut off ;
6. The depth at which natural gas was encountered ;
7. Whether any gas will be wasted or permitted to escape from the well by reason of the abandonment.

Failure or neglect on the part of the lessee to comply fully with this regulation shall render the lease liable to cancellation, as well as any lease or leases with which the same may be grouped under the provisions of the regulations.

Monday, the 3rd day of March, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 21st February, 1919, from the Minister of the Interior, stating that the Salt of the Earth mineral claim, situated on lots 11 and 12 of McKay settlement on the Athabaska river, staked by Alfred von Hammerstein in 1909 under the provisions of the Quartz Mining Regulations, was surveyed by A. J. Tremblay, Dominion Land Surveyor, but the survey could not be approved because the parcel exceeds by 105 feet the maximum dimensions of 1,500 feet fixed by section 12 of the Regulations and because the survey was not governed by the location line as required by section 18 of the Regulations. The claim was sold to Miss Helen Burrell, and is said by her to be owned by her brother, Major Burrell, M.C., who has been for years at the front and was wounded. It is represented by Miss Burrell that the survey cannot be corrected by Surveyor Tremblay, who was killed in France, and that the claim being so far away, the cost of a new survey would be excessive.

The Minister recommends, inasmuch as the excess in the dimensions of the claim is small, as the other departure from the regulations is unimportant, and as lots 11 and 12 on which the mineral claim is situated are vacant and there are no conflicting claims, that the approval of A. J. Tremblay's survey of the Salt of the Earth mineral claim be authorized

The Committee concur in the foregoing recommendation, and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

Monday, the 10th day of March, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Minister of the Interior reports that under subsection 4 of section 11, of The Dominion Lands Act, chapter 20 of the Statutes of 1908, it is provided that every application for homestead entry shall be made by the applicant in person unless otherwise provided by regulations made by the Governor in Council;

That regulations governing applications for homestead entry by proxy were made by Order in Council dated the 26th August, 1908, the last paragraph of which Order in Council, reads as follows:—

> "The homesteader on whose behalf such entry is made shall, before the expiration of six months from the date of the entry, appear personally before the agent and satisfy him by declaration that he is already in residence, or on his way to commence such residence, and in the latter case that he will be in residence before the end of six months. Should he fail to appear, the agent shall cancel the entry without notice at the end of six months from date of entry,—

That in the case of men who have served in the military or naval forces of Great Britain or any of the Allies of Great Britain during the European War, and who have secured homestead entry by proxy after being discharged from military service, there may be exceptional circumstances, such as partial disablement or the necessity for taking agricultural training, which would justify some degree of leniency as to the time of commencement of duties,—

Therefore, His Excellency the Governor General in Council, in view of the above, is pleased to make the following Regulation, and the same is hereby made and enacted accordingly:—

Regulation.

In any case where proxy entry for a homestead is obtained on behalf of a person who has served in the military or naval forces of Great Britain, or any of the Allies of Great Britain in the European War, the provisions of the last paragraph of the Order in Council of the 26th August, 1908, shall not apply, but such additional time may be allowed for the commencement of actual residence as may be deemed by the Minister reasonable under the circumstances.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA

Monday, the 10th day of March, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 20th February, 1919, from the Minister of the Interior, stating that as a result of investigations made by the engineers of the Department of the Interior, it has been found that it would be possible to develop water power at Meadow Portage between Lake Winnipegosis and Lake Manitoba, in the Province of Manitoba, and that such development would require the construction of a canal across certain Dominion Lands.

The approximate location of this canal having been decided upon, steps were taken to reserve the necessary lands upon certain of which, however, homestead entry has already been granted, amongst these being S. W. ¼, Sec. 1, Tp. 31. R. 16, W. P. M., which was homesteaded on January 16, 1913, by Thomas E. Mathison, who subsequently enlisted with the overseas forces, and has since returned.

As the result of an inspection by an officer of the Department who has reported that the following adjustment which is satisfactory to the homesteader is fair and just, the Minister recommends that with a view to withdrawing from the application of the entry the said subdivisions 3 and 4 of the said Section 1, in accordance with the provisions of subsection 6 of section 15 of The Dominion Lands Act as re-enacted by section 1 of chapter 11 of the Statutes of 1909, the Minister be authorized to grant to the homesteader, legal subdivisions 7 and 8 of the same Section, in lieu thereof, and to pay the homesteader six hundred dollars taken from the Water Power appropriation of the current fiscal year to compensate him for the cost of removing his buildings from the said subdivisions 3 and 4, and for the clearing which has been done by him on the said subdivisions, and for the further fact that the land to be granted is less desirable than that which is to be withdrawn from the homestead.

The Committee concur in the foregoing recommendation, and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

Tuesday, the 4th day of March, 1919.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had under consideration a report from the Minister of the Interior, submitting that Mr. Geo. Jones was granted pre-emption entry on the 7th August, 1912, for the S.W. quarter of Section 13, Township 6, Range 7, west of the 3rd Meridian, in the Province of Saskatchewan; that Mr. Jones applied for patent for this land on the 18th December, 1918, and from the evidence submitted it appears that the entrant did not reside upon his pre-emption or upon his homestead as required by The Dominion Lands Act, but lived from the 27th December, 1912, to date of said application, on his father's land, the N.E. quarter of Section 28, Township 5, Range 7, west of the 3rd Mer., within the statutory nine miles of his own land; that Mr. Jones has completed the required cultivation duties in connection with both homestead and pre-emption; that his physician, in a medical certificate under date of the 17th December, 1918, states that it is impossible for the entrant to resume farm work as he is suffering from hunch back, (Tuberculosis Infection) and has been obliged to stay with his father and mother on their homestead when proving up his own homestead and pre-emption.

In view of the statement set out in the medical certificate furnished, the Minister recommends that authority be given under subsection 2 of section 20 of The Dominion Lands Act, to dispense with further residence duties, and that free patent be issued to Mr. Jones, on proof being furnished in the ordinary way that the other duties have been completed, and that the land has been paid for in full.

APLICATIONS TO PARLIAMENT.

THE SENATE.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As revised and brought in force 22nd March, 1916.

Every applicant for a bill of divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia, or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but, otherwise, shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session, the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known, or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for a bill of divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage the names in full of the parties thereto, their ages and occupations, when, where, and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of, the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893.*

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(*1*) The petitioner's residence at the time of service.

(*2*) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(*3*) The name and address of the solicitor, if any, acting for the petitioner.

(*4*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(*5*) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

(*a*) The respondent's residence at the time of sending such notice.

(*b*) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(*c*) The name and address of the solicitor, if any, acting for the respondent.

(*d*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(*6*) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(*7*) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the

satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars ($210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

A. E. BLOUNT,
Clerk of the Senate.

Au comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur représentant qu'à M. Geo. Jones a été accordée une inscription de préemption, le 7 août 1912, pour le quart sud-ouest de la section 13, township 6, rang 7, à l'ouest du 3e méridien, dans la province de la Saskatchewan. M. Jones a demandé la patente de ce terrain le 18 décembre 1918, et d'après certaines dépositions il paraîtrait que l'inscrit n'aurait pas fait de résidence sur son terrain préempté ou son homestead ainsi que requis par la *Loi des terres fédérales*, mais qu'il a résidé du 27 décembre 1912 jusqu'à la date de telle demande sur le terrain de son père, soit le quart nord-est de la section 28, township 5, rang 7, à l'ouest du 3e méridien, dans les limites des neuf milles statutaires de son propre terrain. Mr. Jones a accompli les obligations de résidence requises en rapport avec le terrain, objet de son inscription de homestead et de préemption. Son médecin déclare, dans un certificat médical du 17 décembre 1918, qu'il est impossible à l'inscrit de se remettre aux travaux de la ferme vu qu'il est devenu bossu (infection tuberculeuse), et a dû demeurer avec son père et sa mère sur leur homestead lorsqu'il a établi ses droits au homestead et à la préemption.

Vu la déclaration contenue dans le certificat médical qui a été soumis, le ministre recommande que M. Jones soit en ce cas relevé de toute obligation de résidence à l'avenir en vertu du paragraphe 2 de l'article 20 de la *Loi des terres fédérales*, et que patente gratuite lui soit délivrée sur preuve fournie de la manière ordinaire que les autres obligations ont été remplies et que le prix total du terrain a été payé.

Le comité agrée cette recommandation et la soumet pour approbation.

Au comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 21e jour de février 1919, représentant que le claim minier "Salt of the Earth", situé sur les lots 11 et 12 de l'établissement McKay, sur la rivière Athabaska, jalonné par Alfred Von Hammerstein en 1909, sous le regime des règlements des mines de quartz, a été arpenté par A. J. Tremblay, arpenteur des terres fédérales, mais que cet arpentage n'a pu être approuvé parce que le terrain en question excède de 105 pieds le maximum de 1,500 pieds fixé par le paragraphe 12 des règlements et aussi parce que l'arpentage n'a pas été fait d'après la ligne de location ainsi que requis par l'article 18 des règlements. Le claim a été vendu à mademoiselle Helen Burrell, qui dit qu'il appartient à son frère, le major Burrell, M.C., qui a été plusieurs années au front et y a été blessé. Mademoiselle Burrell représente que l'arpentage ne peut être corrigé par l'arpenteur Tremblay, qui a été tué au front, et que ce claim est si éloigné que le coût d'un nouvel arpentage serait excessif.

Le ministre recommande, vu que l'excédent de dimensions du claim est minime et que les lots 11 et 12 où le claim minier se trouve situé sont inoccupés et que personne autre ne les réclame, que l'arpentage fait par A. J. Tremblay du claim minier "Salt of the Earth" soit approuvé.

Le comité agrée cette recommandation et la soumet pour approbation.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que le Ministre de l'Intérieur fait rapport comme suit:

Que l'article 29 des règlements régissant l'extraction du pétrole et du gaz naturel, approuvés par un arrêté en conseil daté le 19 janvier 1914 (C.P. 154), ainsi que modifiés par des arrêtés en conseil subséquents, prescrit que le locataire prendra en tout temps des précautions raisonnables pour empêcher l'accès nuisible de l'eau aux gisements pétrolifères; que si du gaz naturel est découvert, il prendra toutes les précautions raisonnables et nécessaires pour empêcher la perte de ce gaz; que si les travaux sur la concession revèlent la présence d'eau salée, il devra immédiatement et efficacement, à la satisfaction du ministre, obturer le puits à une profondeur suffisante pour empêcher cette eau d'avoir accès au gisement pétrolifère; que le ministre peut de temps à autre établir les règlements additionnels qui lui semblent nécessaires ou opportuns au sujet de la direction des travaux de forage et de l'exploitation des puits; et que si le locataire ne se conforme pas aux stipulations ci-dessus ou aux autres obligations que le ministre peut juger nécessaire d'imposer en ce qui concerne les travaux de forage et d'exploitation, le bail peut être annulé à la discrétion du ministre;

Et attendu que le Ministre de l'Intérieur fait de plus rapport que l'annulation du bail pourrait dans certains cas ne pas être considérée une peine suffisante pour défaut de se conformer aux obligations ci-dessus prescrites,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil de faire et décréter les règlements additionnels suivants, qui sont par les présentes faits et décrétés en conséquence.

Au cas où du gaz naturel est découvert au moyen de travaux de forage exécutés sur un terrain loué pour l'extraction du pétrole et du gaz naturel sous le régime des dispositions des règlements, ou au cas où l'eau ferait irruption au cours de ces travaux, si la fuite du gaz n'est pas arrêtée ou si le flux de l'eau n'est pas contrôlé, le ministre peut prendre tels moyens efficaces qu'il juge nécessaires ou opportuns dans l'intérêt public pour arrêter et empêcher la fuite du gaz naturel ou pour obturer le puits à telle profondeur qui puisse empêcher l'eau d'avoir accès à un gisement pétrolifère quelconque, ou l'un et l'autre, ou pour empêcher l'eau d'avoir accès à ce puits ou de s'en échapper, et pour recouvrer du locataire du terrain où le puits a été foré tous les frais encourus par la Couronne en arrêtant la fuite du gaz naturel ou l'accès d'eau au puits ou son écoulement du puits, ou en obturant le puits à une profondeur qui puisse empêcher cette eau d'avoir accès aux gisements pétrolifères. Pour appliquer ces mesures de refluement du gaz et de l'eau le ministre peut nommer tel agent ou tels agents qu'il peut juger nécessaire, et il peut autoriser tel agent ou tels agents à se rendre sur les lieux et à faire les travaux nécessaires et, à cette fin, à prendre possession et se servir des instruments de forage, de la chèvre, des outils, machines ou autres appareils ou outillage nécessaires pour l'exécution du travail et qui peuvent se trouver sur les lieux ou être la propriété du locataire.

Avant de commencer les travaux de forage sur une concession acquise sous le régime des dispositions des règlements, le locataire notifiera le ministre par écrit de son intention de commencer ces travaux, ainsi que de la date approximative, cet avis devant contenir les détails suivants:

1. L'endroit particulier de la concession où les travaux doivent être exécutés.
2. Le numéro ou autre désignation sous lequel ou laquelle le puits sera connu, ce numéro ou cette désignation ne devant pas être changé sans le consentement du ministre.
3. Les dimensions et le poids du tubage qui sera employé.
4. La description de l'outillage qui servira pour le forage.
5. Le nom et l'adresse postale de la personne en charge des travaux.

Le refus ou la négligence du locataire d'ainsi notifier le ministre de son intention de commencer les travaux de forage ou de fournir les renseignements exigés rend le bail sujet à annulation, de même que tout bail ou tous baux avec lequel ou lesquels ce premier bail peut être groupé sous le régime des règlements.

Au cas où le locataire désire abandonner un puits creusé sur une concession acquise sous le régime des règlements, il devra, avant d'abandonner le puits, et avant d'enlever l'outillage de forage, la chèvre ou autres appareils, et avant d'enlever une partie quelconque du tubage du puits, notifier le ministre par écrit de son intention de le faire, et prendre tous les moyens conformes aux méthodes approuvées pour empêcher l'eau d'avoir accès aux gisements pétrolifères qui peuvent avoir été découverts. Avant de commencer à enlever le tubage, l'outillage de forage, la chèvre ou les autres appareils, le locataire en obtiendra la permission écrite du ministre ou de tel fonctionnaire que le ministre peut désigner à cette fin. En même temps que sa demande d'abandonner le puits, le locataire doit remettre un plan du puits, s'il ne l'a déjà fait, et faire une déclaration contenant les détails suivants:

1. La date approximative de l'abandon projeté ou la date où commencera l'enlèvement de l'outillage.
2. La quantité et la dimension du tubage dans le puits.
3. La quantité et la dimension du tubage qu'on se propose d'enlever.
4. La profondeur où l'eau a fait irruption.
5. De quelle manière l'irruption de l'eau a été ou sera effectivement arrêtée.
6. La profondeur où le gaz naturel a été découvert.
7. Si du fait d'abandonner le puits il y aura perte ou fuite de gaz.

Le refus ou la négligence du locataire de se conformer en tous points à ce règlement rend le bail sujet à annulation, de même que tout bail ou tous baux avec lequel ou lesquels ce premier bail peut être groupé sous le régime des règlements.

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 20 février 1919, représentant qu'une enquête faite par les ingénieurs du département de l'Intérieur a révélé qu'il serait possible de développer une source d'énergie hydraulique à Meadow-Portage, entre les lacs Winnipegosis et Manitoba, dans la province de Manitoba, et que tel développement exigerait la construction d'un canal traversant certaines terres fédérales.

L'emplacement approximatif de ce canal ayant été déterminé, des mesures ont été prises pour mettre en réserve les terrains nécessaires, sur quelques-uns desquels, toutefois, l'inscription de homestead a déjà été accordée, parmi ces terrains étant le quart sud-ouest de la section 1, township 31, rang 16, à l'ouest du méridien principal, pour lequel le 16 janvier 1913 s'est inscrit Thomas A. Matthison, qui s'est subséquemment enrôlé dans les forces d'outre-mer et qui est depuis revenu.

Après une inspection par un fonctionnaire du département qui a fait rapport qu'est juste et raisonnable l'arrangement qui suit et que M. Matthison en est satisfait, le ministre recommande qu'en vue de soustraire à l'inscription les dites subdivisions 3 et 4 de la section 1, conformément aux dispositions du paragraphe 6 de l'article 15 de la *Loi des terres fédérales*, ainsi que réédictées de nouveau par l'article 1, du chapitre 11 des statuts de 1909, le ministre soit autorisé à concéder à ce colon les subdivisions légales 7 et 8 de la même section et de lui payer six cents dollars à même le crédit pour le développement de l'énergie hydraulique au cours de l'année fiscale courante afin de le dédommager des frais d'enlèvement de ses bâtiments desdites subdivisions 3 et 4 et du défrichement qu'il a fait sur les dites subdivisions, et aussi en considération du fait que le terrain qui doit être concédé a moins de valeur que celui qui doit être soustrait du homestead.

Le comité agrée cette recommandation et la soumet pour approbation.

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que le ministre de l'Intérieur fait rapport qu'il a reçu des représentations que le poisson blanc abonde en quantité excessive dans les eaux du parc des lacs Waterton, dans la province d'Alberta, et que des requêtes ont été reçues de ceux qui résident dans le voisinage de ces eaux demandant la permission de prendre le poisson blanc au moyen de filets ;

Et attendu qu'il est déclaré que ce poisson blanc ne peut se prendre à la ligne à main, que ce n'est pas un poisson franc, mais qu'il est un véritable détriment à la propagation du poisson franc à cause de son habitude de dévorer le frai de ce poisson,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, en vertu des dispositions de la *Loi des réserves forestières et des parcs*, de modifier par les présentes les articles 64 et 65 des règlements pour l'administration des parcs fédéraux, ainsi qu'approuvés par un arrêté de Son Excellence en conseil du 21 juin 1909, en ajoutant le paragraphe suivant à l'article 64 :

"(*d*) Nonobstant toute disposition contraire des présents règlements, le ministre peut, de temps à autre, permettre la prise au filet, le trafic et la vente de tout poisson, sauf le poisson franc, subordonnément à telles conditions qu'il juge nécessaires, quand il est établi à la satisfaction du ministre que le poisson dans les eaux des parcs excède une quantité raisonnable, ou qu'il peut devenir nuisible au poisson franc ou nuire à la propagation du poisson franc dans ces eaux."

Et, en ajoutant les mots suivants au paragraphe (*b*) de l'article 65 :

"Cette disposition, toutefois, ne s'applique pas aux cas où la pêche au filet est permise par le ministre."

PRÉSENT:

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que le ministre de l'Intérieur fait rapport que le paragraphe 4 de l'article 11 de la *Loi des terres fédérales*, chapitre 20 des statuts de 1908, prescrit que toute demande d'inscription doit être faite par le demandeur en personne, à moins que des règlements décrétés par le Gouverneur en conseil n'en statuent autrement ;

Des règlements concernant les demandes d'inscription de homestead par procuration ont été établis par un arrêté en conseil daté le 26 août 1908, dont le dernier paragraphe se lit comme suit :

"La personne pour laquelle l'inscription a été faite "devra, avant l'expiration de six mois de la date "de l'inscription, se présenter en personne à "l'agent et lui déclarer qu'elle réside déjà sur son "homestead ou qu'elle s'y rend pour y résider, et "que dans ce dernier cas elle y résidera avant "l'expiration des six mois. Le défaut de se pré-"senter à l'agent annulera l'inscription sans avis "à l'expiration de six mois de la date de l'inscrip-"tion."

Dans le cas d'hommes qui ont servi dans les forces militaires ou navales de la Grande-Bretagne ou d'un des alliés de la Grande-Bretagne au cours de la guerre européenne et qui obtenu l'inscription de homestead par procuration après avoir été licenciés du service militaire, il peut se présenter des circonstances exceptionnelles telles que l'invalidité partielle ou la nécessité de s'instruire en agriculture qui justifieraient certaine tolérance en ce qui concerne la date où l'inscrit doit commencer l'accomplissement de ses obligations,—

Par conséquent, il plaît à Son Excellence le Gouverneur en conseil, en vue de ce qui précède, de faire le règlement suivant, qui est par les présentes fait et décrété en conséquence :

Règlement.

Dans tous les cas où une inscription de homestead par procuration est obtenue pour une personne qui a servi dans les forces militaires ou navales de la Grande-Bretagne, ou d'un des alliés de la Grande-Bretagne dans la guerre européenne, les dispositions du dernier paragraphe de l'arrêté en conseil du 26 août 1908 ne s'appliqueront pas, mais pour commencer la résidence sur le terrain il pourra être accordé tel délai que le ministre jugera raisonnable dans les circonstances.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que le Secrétaire d'Etat fait rapport que le Comité des créances ennemies, nommé par un arrêté en conseil daté le 11 novembre 1918 pour étudier certaines questions mentionnées dans ledit arrêté, a pris en considération la question de la reprise des paiements et des relations commerciales avec les personnes résidant ou exerçant une industrie dans les districts de la Belgique, de la France et du Luxembourg autrefois occupés par l'ennemi, et que ledit comité recommande qu'il n'y ait plus de restriction au paiement d'argent aux personnes de ces districts ou aux transactions par telles personnes en rapport avec leurs propriétés en Canada ;

Ledit comité a de plus pris en consideration les dispositions des ordonnances concernant le commerce avec l'ennemi en autant qu'elles concernent les pouvoirs conférés au Secrétaire d'Etat d'ordonner la liquidation d'une compagnie, et ledit comité fait rapport que ces pouvoirs sont limités de telle manière que l'initiative voulue est restreinte en certain cas,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil de décréter par les présentes que le Code des ordonnances concernant le commerce avec l'ennemi soit par les présentes modifié en insérant ce qui suit comme ordonnance 39*a* :

39*a*. Nonobstant toutes dispositions des présentes ordonnances, où un territoire en France, en Belgique ou dans le Luxembourg autrefois occupé par un état ou souverain en guerre avec Sa Majesté a cessé d'être ainsi occupé,

(*a*) Toute personne peut trafiquer et commercer avec des personnes résidant ou exerçant une industrie dans tel territoire, et peut payer de l'argent à ou pour telles personnes, et peut faire des transactions en rapport avec la propriété mobilière ou immobilière (y compris tous droits, soit légaux, soit équitables, en rapport avec la propriété mobilière ou immobilière) appartenant à telles personnes ou détenue ou administrée pour telles personnes, ou dans laquelle elles sont intéressées, tout comme si ces personnes n'avaient jamais été ennemies ou traitées comme ennemies

Toutefois, aucune dette qui était due lorsque telle occupation a commencé ou qui est depuis devenue due en rapport avec des transactions faites avant telle occupation, ne sera payée à qui que ce soit sans la permission écrite du curateur.

(*b*) Le curateur peut payer ou transférer à ou à l'ordre de toute personne résidant ou exerçant une industrie dans tel territoire tout argent payé au curateur et qui, si ce n'eût été de telle occupation, aurait été payable ou payé à telle personne, et toute propriété mobilière ou immobilière (y compris tous droits, soit légaux soit équitables, en rapport avec la propriété mobilière ou immobilière) appartenant à telle personne ou dans laquelle telle personne est intéressée et dont le curateur a été investi sous le régime des présentes ordonnances

Rien dans la présente ordonnance n'affectera les droits ou responsabilités résultant d'une prohibition quelconque par statut ou proclamation, ou par les présentes ordonnances et règlements, ou par la loi commune contre le trafic ou commerce durant telle occupation avec des personnes résidant ou exerçant une industrie dans tel territoire durant telle occupation.

Il plaît de plus à Son Excellence en conseil de décréter que le paragraphe 1 de la 17e ordonnance du Code des ordonnances concernant le commerce avec l'ennemi, 1916, soit par les présentes modifié en retranchant le mot "principalement" et lui substituant les mots "en partie", de manière à ce que ladite ordonnance se lise comme suit :

17. (1) Lorsque le Secrétaire d'Etat est convaincu que l'industrie exercée en Canada par une personne, firme ou compagnie quelconque est, à cause de la nationalité ennemie ou des relations ennemies de telle personne, firme ou compagnie, ou des membres de cette firme ou compagnie, ou de certains d'entre eux, ou autrement, exercée en tout ou en partie au profit ou sous le contrôle de sujets ennemis, le Secrétaire d'Etat, à moins que pour des raisons spéciales il lui semble inopportun de le faire, fera une ordonnance soit—

(*a*) défendant à la personne, firme ou compagnie d'exercer le commerce, sauf pour les fins et subordonnément aux conditions (s'il y en a) spécifiées dans l'ordonnance ; ou

(*b*) exigeant que le commerce soit liquidé.

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 6 mars 1919, représentant qu'à une vente à l'enchère de terres des écoles faite à Big-Valley le 4 juin 1918, M. George W. May, d'Elnora, Alberta, a acheté le quart nord-ouest de la section 11, township 35, rang 22, à l'ouest du 4e méridien, au prix de $15 l'acre ;

Plus tard il notifia M. Frank A. Collins, surintendant des terres des écoles à Winnipeg, qu'il avait acheté ce terrain par erreur, croyant avoir acheté le quart nord-est de ladite section, et demandait par conséquent au département de lui échanger le quart nord-est pour le quart nord-ouest et de modifier en conséquence son inscription de homestead,—

Le prix fixé pour le quart nord-est a été le même que pour le quart nord-ouest, savoir $15.00 l'acre, et vu que le quart nord-ouest a été vendu au prix d'adjudication et que le quart nord-est n'a pas été aliéné lors de la vente, le ministre recommande que cette demande d'échange par M. May soit accordée, et que le ministre soit autorisé à permettre à M. May de prendre le quart nord-est de la section 11, township 25, rang 22, à l'ouest du 4e méridien, comme ayant été vendu à l'enchère de terres des écoles au lieu du quart nord-ouest de ladite section.

Le Comité agrée cette recommandation et la soumet pour approbation.

1. L'alinéa (*b*) du paragraphe 3 de l'article 8 des règlements spéciaux des pêcheries pour la province de la Colombie-Britannique, adoptés par un arrêté en conseil du 9 février 1915, est par les présentes modifié de manière à ce que le nombre de bateaux licenciés au cours de l'année 1919, pour faire la pêche au saumon dans le district de Bella Coola, soit porté de 70 à 100, et qu'après l'année 1919 le nombre des bateaux ainsi licenciés ne soit pas plus de 70.

2. Le paragraphe (*b*) de l'article 20 desdits règlements, adopté par arrête en conseil du 30 mars 1917, est par les présentes modifié de manière à ce que, pour l'année courante seulement, le temps prohibé chaque semaine pour la pêche au saumon dans le district de Bella Coola soit de 6 heures du matin le vendredi jusqu'à 6 heures du soir le dimanche, durant la saison de pêche du saumon (sockeye), et que la saison de pêche du dit saumon (sockeye) à laquelle cette prohibition s'appliquera soit déterminée par l'inspecteur de district des pêcheries, et que ci-après le temps prohibé pour la pêche du saumon chaque semaine dans ledit district soit comme jusqu'ici de 6 heures du matin le samedi à six heures du soir le dimanche.

ATTENDU que par un arrêté en conseil daté le 20e jour de janvier 1917 (C.P. 167), a été soustraite à l'application de la *Loi des terres fédérales* et mise en réserve pour les Sauvages une certaine étendue de terrain dans la province de Manitoba connue sous la désignation de réserve "Dog Creek n° 46", bornée au nord par le lac "Dog";

Et attendu qu'il est fait rapport que la fluctuation des eaux du lac "Dog" rend incertaine la position actuelle de la borne nord de la réserve,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre de l'Intérieur, de décréter que ledit arrêté en conseil du 20 janvier 1917 soit par les présentes modifié en substituant la ligne ci-après décrite à la rive du lac "Dog" partout ou ladite rive forme la borne nord de la réserve, savoir:—

Commençant à un point dans la section 10, township 23, rang 9, à l'ouest du méridien principal, où la borne ouest de la réserve croise la rive du lac "Dog", tel que cette intersection est indiquée sur un plan annexé à l'arrêté en conseil du 20 janvier 1917; de là franc nord jusqu'à la borne sud du quart nord-est de ladite section 10; de là vers l'est en suivant les bornes sud de la moitié nord des sections 10, 11 et 12 dudit township et traversant les réserves de chemins entre lesdites sections jusqu'à l'angle sud-est du quart nord-est de ladite section 12; de là vers le sud en suivant la limite ouest de la réserve de chemin sur la borne ouest de la section 7, township 23, rang 8, à l'ouest du méridien principal, jusqu'à un point éloigné de une chaîne et 50 chaînons au sud et une chaîne et 50 chaînons à l'ouest du quart sud-ouest de ladite section 7; de là vers l'est, en suivant la limite sud de la réserve de chemin sur la borne sud de ladite section 7 jusqu'à un point éloigné de 1 chaîne et 50 chaînons à l'ouest de l'angle nord-ouest de la section 5 dudit township; de là vers le sud, en suivant la limite ouest de la réserve de chemin sur la borne ouest de ladite section 5, usqu'à un point éloigné de 1 chaîne et 50 chaînons au sud et 1 chaîne et 50 chaînons à l'ouest de l'angle sud-ouest de ladite section; de là vers l'est en suivant la limite sud de la réserve de chemin sur la borne sud de ladite section 5, jusqu'à son intersection avec la borne est de ladite réserve indienne, ainsi qu'est indiquée ladite borne sur un plan annexé à l'arrêté en conseil du 20 janvier 1917.

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

AU Comité du Conseil privé a été soumis un rapport du ministre de l'Intérieur, daté le 28 février 1918, représentant que M. Claude Robinet a obtenu des lettres patentes pour le quart nord-est de la section 16, township 10, rang 26, à l'ouest du 3e méridien, datées le 17 novembre 1917, M. Robinet y ayant complété ses obligations de homestead. Ce quart de section est compris dans les terrains choisis pour une réserve d'antilopes;

Le ministre fait observer que par un arrêté en conseil du 28 mars 1916, autorisation a été donnée de faire un échange avec les colons établis dans les limites des terrains choisis pour une réserve d'antilopes, alors qu'ils devaient recevoir une égale étendue de terrain dans la réserve dite "Cancelled Stock Watering Reserve", dans le township 22, rang 28, à l'ouest du 3e méridien, ou toutes autres terres fédérales disponibles en échange de leur propriétés actuelles On leur permettait en sus d'enlever leurs améliorations. M. Robinet, qui était réserviste, faisait au service dans l'armée française lors que ces échanges eurent lieu ;

M. Robinet a choisi la moitié sud de la section 36, township 22, rang 28, à l'ouest du 3e méridien, qui constituait une partie de la réserve dite "Cancelled Stock Watering Reserve" et d'après le rapport de l'inspecteur des homesteads, comprend près de 195 acres de terre arable et de terrain pierreux, et il a offert de transférer à la Couronne le quart nord-est de la section 16, township 10, rang 26, à l'ouest du 3e méridien, ainsi que toutes les améliorations qui, selon l'évaluation de l'inspecteur des homesteads, ont une valeur de $1,420, en échange de ladite moitié sud de la section 36, township 22, rang 28 à l'ouest du 3e méridien;

Il serait difficile d'enlever ces améliorations sans subir des pertes considérables et ces améliorations pourront être de valeur au département de l'Intérieur lorsque cette étendue de terrain sera transformée en parc fédéral,—

Le ministre recommande, par conséquent, que conformément à la *Loi des terres fédérales* on l'autorise à délivrer à M Claude Robinet les lettres patentes de la moitié sud de la section 36, township 22, rang 28, à l'ouest du 3e méridien, lorsque M. Robinet donnera à la Couronne un titre parfait au quart nord-est de la section 16, township 10, rang 26, à l'ouest du 3e méridien ainsi qu'aux améliorations qui s'y trouvent.

Le comité agrée cette recommandation et la soumet pour approbation,

RODOLPHE BOUDREAU,
Greffier du Conseil privé.

Attendu que les terrains de ce township qui sont contigus au lac Manitoba, sont représentés sur le plan officiel d'arpentage comme étant en grande partie couverts de marais et de nappes d'eau, et qu'une partie de ladite section, récemment inspectée par un fonctionnaire du département, est entièrement formée de muskegs et d'aucune valeur agricole, et est évaluée à $3.00 l'acre ;

Et attendu que vu la situation et la nature du terrain en question et le fait qu'il n'est d'aucune valeur agricole, le ministre est d'avis que cette demande soit accordée,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, en vertu des dispositions de l'article 76 de la *Loi des terres fédérales*, de soustraire à la colonisation ladite section 13, township 14, rang 6, à l'ouest du méridien principal, contenant 644 acres, et de mettre cette section en réserve et de l'affecter durant bon plaisir aux fins d'un champ de tir pour l'usage du public, le contrôle et l'administration de ladite section restant du domaine du département de l'Intérieur.

DEMANDES AU PARLEMENT.

SÉNAT.

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDURE DU SÉNAT CONCERNANT LES BILS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1916.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre, si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée «partie défenderesse.»

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables on été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante jours premiers de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicil conjugale, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat, aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse, et donner dans cet avis au greffier du Sénat:

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat, doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

A. E. BLOUNT,
Greffier du Sénat.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré dans la *Gazette du Canada;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada,* l doit en être publié un semblable, comme il suit:

A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal,* —dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une *compagnie de télégraphe ou de téléphone,* —dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une *compagnie pour la confection de travaux quelconques,* dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une *compagnie de banque; une compagnie d'assurance;* une *compagnie de crédit;* une *compagnie de prêt;* ou une *compagnie industrielle,* sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les requérants devront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis,* que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de prolonger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs), d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit dans la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: *"Avis de bill privé";* ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes, mentionner en même temps et de la même manière les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toutes personne qui voudra obtenir un bill privé, si elle se propose de la présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 60 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

A. E. BLOUNT,
Greffier du Sénat.

CHAMBRE DES COMMUNES.

RÉGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, mais tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instructions aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôts de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenue de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la Chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents dollars.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir:

(*a*) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill, pour chaque suspension..........	100 00
(*b*) Lorsqu'un bill est présenté dans la Chambre après la huitième semaine de la session et avant la fin de la douzième.............	100 00

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de $300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans les cas où un bill accorde le pouvoir d'augmenter à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, tel qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire, imposée sous l'empire des alinéas *b* ou *c* de l'article 3, ne sera pas exigée.

WAR OFFICE,
6th January, 1919.

HIS Majesty the KING has been graciously pleased to approve of the award of the Victoria Cross to the undermentioned Officers and Non-commissioned Officers:—

T. /Capt. John MacGregor, M.C., D.C.M., 2nd C.M.R. Bn., 1st Central Ontario R.

For most conspicuous bravery, leadership and self-sacrificing devotion to duty near Cambrai from 29th September to 3rd October, 1918.

He led his company under intense fire, and when the advance was checked by machine guns, although wounded, pushed on and located the enemy guns. He then ran forward in broad daylight, in face of heavy fire from all directions, and, with rifle and bayonet, single-handed, put the enemy crews out of action, killing four and taking eight prisoners. His prompt action saved many casualties and enabled the advance to continue.

After reorganizing his command under heavy fire he rendered most useful support to neighbouring troops. When the enemy were showing stubborn resistance, he went along the line regardlesss of danger, organized the platoons, took command of the leading waves, and continued the advance. Later, after a personal daylight reconnaissance under heavy fire, he established his company in Neuville St. Remy, thereby greatly assisting the advance into Tilloy. Throughout the operations Capt. MacGregor displayed magnificent bravery and heroic leadership.

Lt. George Fraser Kerr, M.C., M.M., 3rd Bn., 1st Central Ontario R.

For most conspicuous bravery and leadership during the Bourlon Wood operations on 27th September, 1918, when in command of the left support company in attack.

He handled his company with great skill, and gave timely support by outflanking a machine-gun which was impeding the advance.

Later, near the Arras-Cambrai road, the advance was again held up by a strong point. Lt. Kerr, far in advance of his company, rushed this strong point single-handed and captured four machine guns and thirty-one prisoners.

His valour throughout this engagement was an inspiring example to all.

Lt. Milton Fowler Gregg, M.C., R. Can. Regt., Nova Scotia R.

For most conspicuous bravery and initiative during operations near Cambrai, 27th September to 1st October, 1918.

On 28th September, when the advance of the brigade was held up by fire from both flanks and by thick, uncut wire, he crawled forward alone and explored the wire until he found a small gap, through which he subsequently led his men, and forced an entry into the enemy trench. The enemy counter-attacked in force, and, through lack of bombs, the situation became critical. Although wounded, Lt. Gregg returned alone under terrific fire and collected a further supply. Then rejoining his party, which by this time was much reduced in numbers, and, in spite of a second wound, he reorganized his men and led them with the greatest determination against the enemy trenches, which he finally cleared.

He personally killed or wounded 11 of the enemy and took 25 prisoners, in addition to 12 machine guns captured in this trench. Remaining with his company in spite of wounds, he again on the 30th September led his men in attack until severely wounded. The outstanding valour of this officer saved many casualties and enabled the advance to continue.

Lt. Samuel Lewis Honey, D.C.M., M.M., late 78th Bn., Manitoba R.

For most conspicuous bravery during the Bourlon Wood operations, 27th September to 2nd October, 1918.

On 27th September, when his company commander and all other officers of his company had become casualties, Lt. Honey took command and skilfully reorganized under very severe fire. He continued the advance with great dash and gained the objective. Then finding that his company was suffering casualties from enfilade machine-gun fire he located the machine gun nest and rushed it single-handed, capturing the guns and ten prisoners.

Subsequently he repelled four enemy counter-attacks and after dark again went out alone, and having located an enemy post, led a party which captured the post and three guns.

On the 29th September he led his company against a strong enemy position with great skill and daring and continued in the succeeding days of the battle to display the same high example of valour and self-sacrifice. He died of wounds received during the last day of the attack by his battalion.

No. 8000 Sjt. William Merrifield, 4th Bn., Central Ontario R.

For most conspicuous bravery and devotion to duty during the attack near Abancourt on the 1st October, 1918. When his men were held up by an intense fire from two machine-gun emplacements, he attacked them both single-handed. Dashing from shell-hole to shell-hole he killed the occupants of the first post, and, although wounded, continued to attack the second post, and with a bomb killed the occupants. He refused to be evacuated, and led his platoon until again severely wounded.

Sjt. Merrifield has served with exceptional distinction on many former occasions, and throughout the action of the 1st October showed the highest qualities of valour and leadership.

War Office,

HIS Majesty the King has been graciously pleased to approve of the following awards to the undermentioned Officers and Warrant Officers in recognition of their gallantry and devotion to duty in the Field:—

Awarded a Bar to the Distinguished Service Force.

Canadian Force.

Lt.-Col. Charles Edward Bent, C.M.G., D.S.O., 15th Bn., Can. Infy., 1st Cent. Ont. Regt.

For gallantry and skill in directing his battalion in an attack. He, under difficulties of mist, led his battalion in close reserve to the three attacking battalions of this brigade, consequently, under the conditions of the day he was engaged in personal leadership and fighting, helping to clear up the places where the enemy were still holding out. Next day during another attack, he was severely wounded.

(D.S.O. gazetted 1st January, 1917, see *Canada Gazette* 3rd February, 1917.)

Lt.-Col. William Hew Clark-Kennedy, C.M.G., D.S.O., 24th Bn., Can. Infy., Quebec Regt.

For great gallantry in action during which the battalion under his command reached the objective allotted to it. On several occasions, at great risk, he personally directed the capture of strong points obstinately defended by the enemy. The success which his battalion obtained in these actions was due in no small degree to the example, courage and resourcefulness of its commander.

(D.S.O. gazetted 14th January, 1916, see *Caanada Gazette* 12th February, 1916.)

Lt.-Col. Anson Scott Donaldson, D.S.O., 3rd Filed Amb., Can. A.M.C.

For conspicuous gallantry and devotion to duty. This officer was in charge of the evacuation of the forward area, and showed great initiative in establishing dressing stations and collecting posts directly in rear of the advancing infantry. He kept in touch with the battalion and succeeded in evacuating the casualties almost as soon as they occurred, in spite of heavy machine gun and shell fire.

(D.S.O. gazetted 3rd June, 1918, see *Canada Gazette* 6th July, 1918.)

Major Arthur Edouard Dubuc, D.S.O., 22nd Bn., Can. Infy., Quebec R.

For conspicuous gallantry and determined leadership. This officer commanded his battalion in an attack on an important village. Twice during the morning the advance was checked by very heavy machine-gun fire, causing serious casualties. On both occasions he went forward and personally led the leading waves during these critical moments. He was severely wounded before the battalion reached its objective, and it was greatly due to his fearless leadership that the attack was successful.

(D.S.O. gazetted 1st January, 1917, see *Canada Gazette* 3rd February, 1917.)

Lt.-Col. Louis Elgin Jones, D.S.O., 18th Ban., Can. Infy., Western Ont. Regt.

He commanded his battalion with marked skill in connection with an attack on a strongly-held position, during which his flanks were threatened. His initiative and personal direction led to the success of the attack and permitted of the advance of his own and neighbouring units. He personally supervised the work of consolidation of the objective gained, and throughout, under exceptionally adverse conditions, he set a splendid example to his officers and men.

(D.S.O. gazetted 18th October, 1917, see *Canada Gazette* 24th November, 1917.)

Lt.-Col. George Chalmers Johnston, D.S.O., M.C., 2nd Can. Mtd. Rif. Bn., 1st C. Ontario Regt.

The day previous to an attack he was ordered to make on a strong enemy position, he made a personal reconnaissance of the ground in the face of heavy machine-gun fire. It was owing to this officer's high qualities of leadership and his knowledge of the ground that the attack was a complete success, and that his battalion suffered a minimum of casualties.

(D.S.O. gazetted 1st January, 1918, see *Canada Gazette* 26th January, 1918.)

Lt.-Col. Robert Alexander MacFarlane, D.S.O., 58th Bn., Can. Infy., 2nd Cent. Ont. Regt.

His battalion was required to make an advance of nearly 5,000 yards during an attack in which his battalion became involved in very heavy fighting at one point where he personally led forward supporting companies to clear one village and push on to another, which was the final objective. He performed this task with great skill and daring, personally killing two of the enemy. During a subsequent operation he made a reconnaissance forward of his battalion, in which he surprised an enemy machine-gun post; he killed one of the crew and took four other prisoners. Throughout these operations he showed sound judgment, courage and skill.

(D.S.O. gazetted 4th June, 1917, see *Canada Gazette* 28th July, 1917.)

Lt.-Col. Archibald Ernest Graham McKenzie, D.S.O., 26th Bn., Can. Infy., New Brunswick Regt.

For conspicuous skill in handling his battalion during the capture and consolidation of the objectives allotted to his command. His coolness and fine example inspired all ranks. The success which crowned the operations of this unit was in a large measure due to leadership and courage of its C.O.

(D.S.O. gazetted 1st January, 1917, see *Canada Gazette* 3rd February, 1917.)

Lt.-Col. Lionel Herbert Millen, D.S.O., 18th Bn., Can. Infy., 1st Cent. Ont. Regt.

In connection with an attack on three strongly held enemy positions he commanded his battalion with such skill and interpidity that each position was taken in succession, and the final objective was gained. In a subsequent operation he organized and directed a successful attack on a village, which resulted in our line being advanced 1,200 yards and the capture of many prisoners and machine guns. His marked ability in handling difficult situations and his courage and example contributed largely to the success of both operations.

(D.S.O., gazetted 1st January, 1918, see *Canada Gazette* 26th January, 1918.)

Lt.-Col. Thomas Joseph Francis Murphy, D.S.O., 6th Fld. Amb., C.A.M.C.

During an attack there were several wounded cases whose evacuation was being held up by the intense enemy barrage. This officer then brought up two motor ambulances, which he left some distance in rear, and came up with his runner to the village and searched for the regimental aid post, which he found after much difficulty, all the time exposed to heavy fire himself, as he passed several times through the enemy barrage and machine-gun fire. It was through his utter disregard of personal danger that the wounded were safely cleared and many lives saved.

D.S.O. gazetted 1st January, 1918, see *Canada Gazette* 26th January, 1918.)

Maj. Alexander Thomas Paterson, D.S.O., D/23rd Bty., 5th Bde., C.F.A.

For conspicuous gallantry and devotion to duty. When one of the ammunition wagons of his battery was hit by a shell and the ammunition set on fire, he at once ordered the men to a distance while he himself went and opened the door and removed the charges. But for his gallant action a serious disaster might have occurred.

(D.S.O. gazetted 3rd June, 1918, see *Canada Gazette* 6th July, 1918.)

Lt.-Col. Cyrus Wesley Peck, D.S.O., 16th Bn., Can. Infy., Manitoba Regt.

During an attack he showed fine courage and leadership. He led his battalion, under difficulties caused by heavy mist, to its final objective, nearly three miles, after severe fighting. He personally led his men in an attack on nests of machine guns protecting the enemy's guns, which he captured. Some of the guns were of 8-inch calibre.

(D.S.O. gazetted 4th June, 1917, see *Canada Gazette* 28th July, 1917.)

Lt.-Col. William Rhoades, D.S.O., M.C., 5th Bn., Can. Infy., Quebec Regt.

When the battalion was ordered to move forward and capture a strong position held by enemy machine guns and flanked by strong points, he made personal reconnaissances and guided the attack of his battalion with great skillfulness and determination, and was with the front line when the objectives were taken. It was due to his quick appreciation of the situation and skillful disposition of his troops that the attack was a complete success. His resourcefulness and courage were an inspiration to all ranks.

(D.S.O. gazetted June 3rd, 1918, see *Canada Gazette* 6th July 1918.)

Lt.-Col. Harold James Riley, D.S.O., 27th Bn., Can. Inf., Manitoba Regt.

For conspicuous gallantry and able leadership. During four days' hard fighting, when his battalion was continuously making attacks at short intervals, his gallantry and indomitable energy inspired his men to their utmost efforts. His personal direction in the advanced lines ensured the success of difficult operations, and on one occasion the attack was made at the end of a hard day's fighting without artillery support, and resulted in the capture in a number of machine guns and prisoners. Throughout the operations his example and leading were splendid.

D.S.O. gazetted July 18th, 1917, see *Canada Gazette* 15th September, 1917.)

Lt.-Col. Charles James Townshend Stewart, D.S.O., P.P.C.L.I., East Ont. Regt.

He, by his extreme energy and resourcefulness, his sound tactical knowledge and ability, overcame great odds in leading his battalion against strongly organized enemy defences in the face of heavy machine gun and rifle fire, thereby ensuring the attainment of all objectives for the brigade. His consistent cheerfulness, his complete disregard of danger, and his personal example were undoubtedly instrumental in the successes of his battalion.

(D.S.O. gazetted November 14th, 1916, see *Canada Gazette* 23rd December, 1916.)

Lt.-Col. Hugh Macintyre Urquhart, D.S.O., M.C., 43rd Bn., Can. Infy., Manitoba Regt.

For distinguished services and gallantry on several occasions. He had the difficult task of taking the formidable positions of three woods, all of which he captured at the right time. He showed leadership and skilful handling of the highest order, and outmanœuvred the enemy. On subsequent occasions he made daring personal reconnaissances which resulted in complete defeat of the enemy. On the last enterprise he was severely wounded.

(D.S.O. gazetted July 18th, 1917, see *Canada Gazette* 15th September, 1917.)

Awarded the Distinguished Service Order.

CANADIAN FORCE.

Maj. James Stark Bell, M.C., 18th Bn., Can. Inf., W. Ontario R.

For conspicuous gallantry and devotion to duty. When the Officer commanding had become a casualty he took command of the battalion and handled it in critical circumstances with great ability. His fine example of personal courage under heavy fire and his energy encouraged his men and inspired them with great confidence.

Capt. (A./Major) Robert Hamilton Bliss, 19th Bn., Can. Infy., 1st Cent. Ont. Regt.

For conspicuous gallantry and cool courage. This officer was given charge of all the attacking troops of his battalion. Shortly after crossing the enemy front line. he received word that his left was held up. He at once organized the troops in the vicinity, leading them personally in the attack against a strong point under heavy machine-gun fire, overcame the opposition, killing all the garrison, and enabling the attack to steadily advance. He rushed with a few men the village, taking numerous prisoners. Later, with only three others, he captured a senior commander and his staff, in all 35, from one building. He then established and organized a line about half a mile in advance. Throughout a heavy mist made his task the more difficult.

Maj. George Howard Bradbrooke, M.C., 1st Bn., Can. Mtd. Rif., Saskatchewan Regt.

This officer showed great initiative and gallantry in leading his company. During an attack, by his personal handling of the troops under his command, he captured all the objectives, without a single casualty. Again, two days afterwards, in an attack on a strong enemy position, he led his company with an utter disregard for his own safety and captured the objective with few casualties. He set a fine example to all ranks.

Maj. Dougall Carmichael, M.C., 58th Bn., Can. Infy., 2nd Cent. Ont. Regt.

For conspicuous gallantry and good leadership. During an attack on a village, the battalion being temporarily held up at a sunken road, he quickly made an appreciation of the situation and manœuvred the attacking companies in such a manner as to overpower the whole of the enemy's front-line positions. At the final objective of the battalion he took a small party forward and captured an enemy regimental headquarters, including 60 prisoners and much valuable information.

Capt. (A./Maj.) Bartholomew Charlton, 43rd Bn., Can. Infy., Manitoba Regt.

During an attack he was in command of a company. A few minutes after zero the enemy placed a heavy barrage upon the assembly area. By his personal example he rallied his men and led them forward. On arriving at his objective it was found that the tanks had not come up and that the enemy was holding a wood with machine guns and trench mortars. He again led the attack forward, capturing the wood and taking 153 prisoners, 20 trench mortars and numerous machine guns. He set a splendid example to his men, and largely contributed to the success of the operation.

Maj. Charles Milton Richardson Graham, 18th Bn., Can. Infy., W. Ontario R.

For conspicuous gallantry and devotion to duty. When his company was ordered to attack a village he went forward and made a personal reconnaissance which enabled him to plan and carry out the assault with very few casualties, although it had to be made through a heavy barrage. He then supervised the organization of the line some 500 yards in front of the village, which greatly facilitated the advance on the right. His courage and initiative were great factors in the success of the operation.

Maj. (A./Lt.-Col.) Bertram Osmer Hooper, M.C., 20th Bn., Can. Infy., 1st C. Ontario R.

For conspicuous gallantry and devotion to duty. He commanded his battalion with great skill during a successful attack, leading some of the units of his command personally under very heavy fire at critical moments. When his men were held up the next day by the stubborn resistance of the enemy, he promptly went to a most forward position and made able dispositions to repel the counter-attack which developed soon afterwards. His presence at points of danger and his fine example had the most encouraging effect on his men.

Maj. Norman Fraser McCaghey, M.C., 52nd Bn., Can. Infy., Manitoba R.

For conspicuous gallantry and devotion in a successful attack, when his fine courage and initiative were the outstanding features of the occasion. During the enemy counter-attack, when his company was greatly outnumbered, he exposed himself fearlessly in steadying the line, during which time he was severely wounded, and his splendid example largely accounted for the enemy's complete defeat.

Lt.-Col. George Randolph Pearkes, V.C., M.C., 116th Bn., Can. Infy., 2nd Cent. Ont. Regt.

This officer handled his battalion in a masterly manner, and, with an enveloping movement, completely baffled and overcame the enemy, who were in a very strong position. He then captured a wood, the final objective, which was about 5,000 yards from the strat. Before this, however, the men were becoming exhausted, on observing which he at once went into the attack himself, and, by his splendid and fearless example, put new life into the whole attack, which went forward with a rush and captured 16 enemy guns of all calibres up to 8 inches.

Maj. Wilfred Victor Sifton, 4th Bn., Can. Mtd. Rif., 1st Cent. Ont. Regt.

Owing to his initiative, and as the result of a personal reconnaissance, he was able to save his company from heavy casualties by taking his men to a new jumping-off place. During an advance of four kilometres under heavy fire he directed the attack of three companies, two company commanders having become casualties, and then organized the battalion outpost line. Throughout the entire action he sent back valuable information to his C.O., and by personal reconnaissance established communications with the flanking units. He set a splendid example to all ranks.

Maj. John Sutherland, 116th Bn., Can. Infy., 2nd Cent. Ont. Regt.

During an attack he showed conspicuous gallantry and ability in handling three companies, completely outflanking the enemy, holding the high ground, and succeeding in getting behind them and capturing a wood, taking 12 guns, including a battery of 5·9 Howitzers. Throughout he set a fine example of coolness and skill. He rapidly consolidated the position he had won, and prevented the enemy from making a successful counter-attack.

Lt. Frederick Arthur Taylor, Can. Light Horse.

For conspicuous gallantry and devotion to duty. With a patrol of four men he cut off an enemy convoy of four ammunition wagons and 35 men under an officer. The enemy machine guns and infantry prevented him bringing the convoy back to our lines, but he disabled the convoy and it was taken possession of next morning when our line advanced. He displayed great courage and presence of mind in peculiarly difficult circumstances.

Capt. (A./Maj.) Charles Beresford Topp, M.C., 42nd Bn., Can. Infy., Quebec Regt.

This officer acting as second in command of the battalion, was in charge of operations in which the battalion bombed its way through a complicated trench system for a distance of a mile, encountering very stiff opposition. When the objective was reached, the enemy repeatedly counter-attacked, and was driven off with heavy casualties. The success of the operation was largely due to his great skill, initiative and personal courage, on numerous occasions making reconnaisances of the situation in person.

Capt. (A./Maj.) George Philias Vanier, M.C., 22nd Bn., Can. Inf., Quebec Regt.

For conspicuous gallantry and devotion to duty. As second in command he led a portion of the battalion to the attack and capture of a village. The O. C. the battalion being then called to the command of brigade, this officer took charge of the battalion and led it with great skill to the attack and capture of a large village. His courage, example and will to conquer imbued all under him with the finest fighting spirit.

Lt.-Col. Richard Worrall, M.C., 14th Bn., Can. Infy., Quebec Regt.

Under difficulty of mist he personally led and directed his battalion in the attack and capture of the front line system of enemy positions, including the guns. He displayed great skill and courage in directing the operations on this and other occasions during which the battalion had lost 23 officer casualties.

Awarded a Second Bar to Military Cross.

CANADIAN FORCE.

Capt. (A./Maj.) John Horace Roy, M.C., 22nd Bn., Can. Inf., Quebec Regt.

He commanded a company with great courage and determination during an attack, personally assisting in clearing the enemy from a machine-gun post which was hampering the progress of the battalion. He was severely wounded, but declined to be carried away until all the other wounded had been evacuated. His splendid example maintained the spirit of his men and greatly helped the success of the operation.

(M.C. gazetted 4th February, 1918, see CANADA GAZETTE, 9th March, 1918.)

(1st Bar gazetted 16th September, 1918, see CANADA GAZETTE, 9th November, 1918.)

Awarded a Bar to Military Cross.

CANADIAN FORCE.

Lieut. Harry McNeven Alexander, M.C., 24th Bn., Quebec R., Can. Infy.

For conspicuous gallantry and devotion to duty. This officer was wounded in the hand a few minutes after zero hour, but insisted on going on. After his company commander was wounded, he took command, and by initiative and resource overcame many obstacles, and pushed on to the objective.

(M.C. gazetted 4th February, 1918, see *Canada Gazette,* 9th March, 1918.)

Lt. Andrew A. Anderson, M.C., D.C.M., 58th Bn., Can. Infy., 2nd Cent. Ont. Regt.

For gallantry and initiative. He carried out several patrols, making a careful study of the enemy positions. He led and directed the leading platoons in operation, which resulted in the capture of three enemy machine guns and many enemy killed, also in advancing our line to a depth of over 500 yards on a 500 yards front.

(M.C. gazetted in this *Gazette.*)

Capt. George Watson Anderson, M.C., 25th Bn., Nova Scotia R., Can. Infy.

For conspicuous gallantry and devotion to duty. As Adjutant this officer gave great assistance to his commanding officer, skilfully leading the headquarters company through heavy barrages. He also made several valuable reconnaissances under machine gun fire, showing complete disregard of danger whenever duty was involved.

(M. C. gazetted 24th September, 1918, see *Canada Gazette,* 9th November, 1918.)

Capt. Leslie Bernard Bumstead, M.C., 4th Bn., Can. Infy., 1st Cent. Ont. Regt.

For gallantry and devotion to duty during action. When at the start this officer received a gunshot wound in the back, he carried on,

directing the advance of his company, a distance of over 3 kilometres. Not till the objective was reached and consolidated, and the wounded cared for, did he consent to be evacuated himself. He set a splendid example.
(M.C. gazetted 16th September, 1918, see *Canada Gazette*, 9th November, 1918.)

Capt. Edward Vaughan Chambers, M.C., 1st Bn., Can. M.G.C.
For conspicuous gallantry and devotion to duty. In connection with an attack on an important trench line, this officer handled his machine gun company with initiative and resource. He made a personal reconnaissance of the area under heavy machine gun fire, and bringing his guns into action with great rapidity, neutralized the hostile fire, and enabled the Infantry to advance with a minimum of casualties. His quickness in gaining information was most useful.
(M.C. gazetted 26th July, 1917, see *Canada Gazette*, 22nd September, 1917.)

Lt. George Brock Chisholm, M.C., 15th Bn., Can. Infy., 1st Cent. Ont. Regt.
During two attacks this officer led his platoon with great courage under very heavy fire, dressing the wounds of some of his men at great risk to himself, and when more than half of his men were casualties he disposed the remainder with great ability, and consolidated his position. He set a brilliant example to his men.
(M.C. gazetted 18th October, 1917, see *Canada Gazette*, 24th November, 1917.)

Lt. Henry Thomas Deane, M.C., 21st Bn., Can. Inf., E. Ontario R.

Lt. Marmaduke Murray Dillon, M.C., 1st Bn., Can. M.G.C.
For conspicuous gallantry and devotion to duty. When the battery commander became a casualty, and the battery disorganized by losses from shell fire, this officer took command, and after steadying the men, made a personal reconnaissance which enabled him to push his guns forward, and cover an exposed flank. His energy and determination righted a critical situation.
(M.C. gazetted 18th February, 1918, see *Canada Gazette*, 6th April, 1918.)

Capt. (A./Maj.) Georges Elzear Alexandre Dupuis, M.C., 22nd Bn., Can. Infy., Quebec Regt.
He commanded a company with great determination and personal courage. Shortly after the attack started a thick fog came on; in spite of this he led his company straight to the objective. On more than one occasion he took means by personal direction and great daring to rid his flanks of enemy machine guns and snipers. During two days' fighting he gave an example to his men of great pluck and utter disregard of danger. With ability and determination he consolidated a line.
(M. C. gazetted 14th November, 1916, see *Canada Gazette*, 23rd December, 1916.)

During an attack his company came under heavy fire in the assembly area. He rallied his men and led them forward. The attack to which he was committed necessitated two complete changes of direction. A heavy mist prevailed, obliterating all features; nevertheless he handled his company in such a way under machine gun fire that, without any error, they reached their objective by a flanking movement. During the operation a battery of 5.9's with open sights started firing at advancing tank and his company. Disregarding his personal safety, he rushed ahead of his platoon and put out of action an enemy machine gun which was causing many casualties, thus enabling the party to push on to their final objective. When the enemy formed up for a counter-attack he at once led his men out to meet it, with the result that the counter-attack was repulsed and broken. He set a fine example to his men throughout.

Lt. William Ralph West, 1st Bty., 1st Bde., Can. F.A.

For conspicuous gallantry and devotion to duty. This officer as battery forward observation officer kept in close touch with the infantry, sending back detailed information as to their dispositions, which proved of great value. Noticing the enemy massing for a counter-attack he got back information to the batteries in time to enable their fire to shatter the concentration. His work throughout was of a high standard.

Lt. Henry Alvin Whitmore, D.C.M., 2nd Bn., Can. Mtd. Rif., 1st C. Ontario R.

During an attack he, when his company was held up by enemy machine-gun fire, observing a tank about 400 yards to the left, unhesitatingly doubled across the open, under heavy fire, and directed the tank to the German positions, after which he returned to his men and led them forward to their objective. His cool courage and initiative were a good example and inspiration to his men.

Lt. Henry Duncan Wightman, 21st Bn., Can. Infy., East Ont. Regt.

For conspicuous gallantry. He directed his platoon through a heavy mist and came under fire from an enemy machine-gun nest. This he immediately rushed and destroyed, capturing two guns and killing the crews, two of whom he shot himself. His prompt action saved many lives, and his example of cool leadership had an inspiring effect on all his men.

Lt. Eldon Parker Wilson, 4th Bn., Can. Engineers.

He showed marked gallantry and devotion to duty while repairing a road that was urgently required for the advancing artillery. The working parties were on several occasions driven away from their task by heavy high-explosive and gas shelling, but each time he brought them back until the work was completed. His personal efforts and encouragement were largely responsible for the rapid manner in which the task was completed.

Capt. Gordon Stevenson Winnifrith, 15th Bn., Can. Infy., 1st Cent. Ont. Regt.

This officer led his company during the attacks lasting two days with greatest coolness. When the first wave of attack was held up he went up with reinforcements and sent back very valuable reports regarding the situation. Later on, most of the officers with the first wave being casualties, he took command and reorganized the atack. He made a personal reconnaissance of the enemy positions under heavy fire and gave valuable information to the tanks, which enabled them to put the enemy out of action. He showed great courage throughout the action, and the success was largely due to his work.

Lt. (A. Capt.) Arthur Knyvet Wilson, 116th Bn., Can. Infy., 2nd Cent. Ont. Regt.

During a night attack, after his company commander had been killed, he took charge of the company, which was on the right of the battalion, and throughout the engagement he showed an utter disregard for his own safety, and set a fine example to his men. He kept up continual communication with the battalion on his right, a difficult task owing to strong enemy counter-attacks at that spot. He also organized and personally led successful attacks against enemy strong points and a machine-gun nest.

Lt. Howard Kenneth Wood, 116th Bn., Can. Infy., 2nd Cent. Ont. Regt.

He carried out a personal reconnaissance of "No Man's Land" prior to an attack, and during the operation he collected a number of disorganized men and led them forward, on a flanking attack, capturing a position strongly held by machine guns. In doing this he was wounded, but continued to lead his party on, and reached the final objective. In reorganizing his party to consolidate the position gained he was again severely wounded. His dash and endurance throughout were remarkable.

Rev. George Wright, Can. C. Ser., attd. 31st Bn., Alberta R.

For conspicuous gallantry and devotion to duty. He, regardless of machine gun fire, advanced with the men, dressing those who became casualties. Later, when many of the officers had become casualties, he rallied the men and went forward with them.

Lt. William Godfrey Wurtele, R. Can. Regt., Nova Scotia Regt.

For conspicuous gallantry during eight days of the operations, in which he commanded his company. He led it in an attack, and his dashing leadership was largely responsible for the rout to which the enemy was put. He captured 5 4.2 guns, six machine guns, and sixty prisoners. During a night attack on a village his company cleared it of the enemy under very difficult conditions. He set a splendid example to his men by his initiative and personal courage.

Amendment.

The following is the correct description of the officer upon whom a reward has recently been conferred:—

Maj. David William McKenzie, D.S.O., No. 6 Fd. Amb., Can. A.M.C.
